Progyny's Smart Cycle benefit connects you to leading fertility specialists and allows them to provide the most advanced, effective fertility treatment, the first time – without precertification or treatment hurdles – so you can obtain the best chance of achieving a successful pregnancy with the course of treatment that is best for you.

**Highlights of your coverage include:**

- **One (1)** Smart Cycle. You have access to an additional Smart Cycle if your first cycle is not successful.
- **Progyny Rx** integrated fertility medication coverage

Note: The person(s) receiving fertility treatment must be enrolled in an eligible medical plan through your employer to have access to the Progyny benefit. Your financial responsibility will be determined by your medical plan's deductible, co-insurance and out-of-pocket maximums. Please consult with your human resources department to confirm your eligibility.

**Examples of how you can use a Smart Cycle:**

IVF Fresh or  
IVF Freeze All

Frozen Embryo  
Transfer

Intrauterine Insemination (IUI)  
or Timed Intercourse (TIC)

Surrogacy Embryology  
Services (pre-transfer)
