Food Truck Medallion #	

Thank you for your generous support!

We are expecting over 20,000 people to the parade this year for our second year in the Market Square area!

The After-Party and Breakfast spots are have limited. We have space available for 8 to 10 vendors. Be one of these to kick-start your spring season! Of these vendors, we are looking for three (3) to five (5) food trucks to supplement Nico Nico's and provide breakfast for early arrivals in the park and for lineup on Franklin.

Location:

Market Square in downtown Houston, Texas. Parade begins at Noon at Smith and Congress.

We expect about thousand for the After-Party in the Park and 2-4,000 in and around the park for the reviewing stand area which will be setup on Preston in the crosswalk. We expect 20,000 along the parade route.

Setup/Breakdown:

You will have access to the area as of 8:30am but will be required to move any vehicles immediately once unloaded. No driving is permitted on Preston Street after 10:30am for the safety of pedestrians, volunteers and other vendors. Preston Street will reopen to general traffic at 4:00pm. The After-Party in the Park is over at 3pm so this should give you time to pack up. No Electricity is available to vendors.

Parking:

Food Trucks. Along Preston on the Park side with sales window facing the street.

No Parking personal vehicles on Preston. [Click here for Parking Help and Parade Route.](#)
