Personal Study/Group Discussion.

1. What are you hungry for in LIFE? Talk about or write down the top 3 things you are hungry for in life? Is God #1?
2. When have you felt like you're in a desert? How did you get out of the desert?
3. Discuss or write down how you would define righteousness?
4. Read Proverbs 12:28 – Why is righteousness the road to life?
5. If you've lost your appetite at a time in your life, what did you do to regain your spiritual appetite for God?
6. Read Ephesians 3:18 – Why is it so imperative that we rehearse how much God loves us? What does this verse say will happen when we receive and begin to understand how much God loves us?
7. What are the key things that we fill up on as Americans? (Junk food type items rather than the bible)

Continued prayer focus:

1. For a renewed hunger for righteousness.
2. Christ followers would walk in wisdom, prepared to respond to the prompting of God's spirit.
3. Deeper desire for God's word.
4. God would become first instead of being somewhere on the list of priorities.
5. Forgiveness for our country, and our people.
