What's Going on in the Classroom?

At the Emporia Head Start Center in Lyon County, there are many ways that parents have been helping out. We have many parents that come in and clean the center. Sweeping, mopping, vacuuming, cleaning the restrooms, changing out light bulbs, mowing or weed eating are just a few of the chores that our parents help to ensure our center is free of debris. We even have parents to answer phones and open the door at the beginning of the day. - Shelli, Area Manager
