Since 1949...

Our Aviation heritage began in Chicago in 1949. Today, our experience of over 3,000 resale transactions provides an unequalled advantage for our clients.

As one of the leading aircraft acquisition and resale firms in the world, we continue to be relentless and strive to exceed your expectations.

# Acquisition

We don't just help you climb these stairs, we help you own them

**You need an experienced ally that inspires confidence and ensures a pleasant and professional buying experience without the pitfalls of those less qualified.** As one of the most effective resale firms, we devote our experience and knowledge to you.

No aviation professional can deny that every aircraft deal is different. It takes experience to understand the details of your clients need and desire with each aircraft transaction to react intelligently to every facet of the deal to protect your investment. We are relentless in providing pure knowledge to make certain your decision is the very best solution.

In this age of information it is not only about looking at ads, making calls, emailing for data, and trying to analyze what is appropriate while relying on public accessible data... **but so much more.**

You need experience and pure market knowledge in order to understand and capture the best aircraft opportunity. We have over 130 years combined experience navigating jet acquisition and resale.

**Call us and have us share our experience with you.**

We make your aircraft experience flawless

# Marketing

We don't just make deals...We create them!

Placing a few ads on the Internet cannot begin to scratch the surface of effective marketing. **Our firm owns and controls the most powerful websites that target specific aircraft interests.**

We devote these to your aircraft along with our master site to effectively exceed the demands of online marketing.

That is only the beginning.

We implement a unique marketing plan for your aircraft that utilizes a specific set of tools that includes detailed specifications, promotional photography, published magazine advertising, and advanced global communication sources (we get on the phone!).

Our group of highly experienced professionals, with 130 years combined experience, utilizes cutting edge knowledge and resources that achieves global market penetration to maximize your investment.

We look forward to hearing from you.

We make your aircraft experience flawless

"We could not believe the service this company provided. We have gone from charter to initial ownership with ASG to our third jet we acquired with them. We have been thrilled with their service, experience, and insight"-  
Leading global top fashion designer. T.F.

"I have purchased and resold 4 jets ranging from my first Learjet to my current Global Express with this company. I would trust no one else with my business"-Formula 1 world champion R.L.

"In the last 16 years, I have owned a Beechjet 400A, a Hawker 400 XP, a Lear 60, a Hawker 900XP, and now a Falcon 2000 LX. When I sold the 400A and the Lear, I made money. I am thrilled with my position in the Falcon. This firm has acquired and resold all of them. I would never consider using anyone else-Ever"-Managing partner of a very large P/E firm. C.T.
