Review	<p>A journey in Sabah would not be complete without the Kota Kinabalu city tour! You will be fascinated with the modern architecture around the city that was back by strong cultural roots behind, knit with interesting stories and decades of history that will surely enchant you, left you no choice but to take your time for a leisure tour in the city.</p> <p>Kota Kinabalu was formerly known as Jesselton, named after the Vice-Chairman of British North Borneo Company, Charles Jessel. It is the state capital of Sabah, the Land Below The Wind. Kota Kinabalu is strategically situated at the Northwest Coast of Borneo Island, facing the South China Sea and three fascinating islands of Tunku Abdul Rahman Park on one side with the majestic Mount Kinabalu set as background of the city. Also known as rainforest City, it is the most alive and active city in the whole Borneo island. Everything is packed within 10km of the city radius. Hotels, resorts, malls and shopping centers are just a stone's throw away.</p>
