

Hey Crossroads Family!

Beginning on Saturday, June 6th we will be gathering IN our campus buildings to worship and watch the video message together at 6PM at all our locations. Here are a few guidelines to help us create a safe environment for our church family. We're encouraging everyone to follow these guidelines for the benefit of all in attendance and to maintain a positive witness to our community.

GUIDELINES FOR OUR IN CAMPUS WORSHIP SERVICES

Doors Open: All exterior and interior doors will be propped open to minimize contact. Our first impressions team will greet you and give further instructions as you arrive.

Face Masks: You are encouraged to wear a face mask as you enter and exit the church building, as well as during worship.

Physical Distancing: Maintaining physical distancing of six feet between individuals or family groups enables us to provide an environment where more people feel comfortable and healthy practices are followed. Our auditoriums will be configured to allow for individuals or family groups to practice responsible social distancing.

In order for us to be fully prepared, we ask that you make a reservation to let us know that you'll be coming. This will let us know what to expect for our services and help us to prepare accordingly. [Click here to make your reservation.](#)

We'll be working to minimize contact in our common spaces by placing service elements on your chair. There will be a place for you to give your tithe and offering as you leave the service, but we also encourage you to take advantage of our safe and secure online giving.

Kidzlink: We ask that families sit and worship together. Families with children will be given Kidz Kitz for the kids to enjoy during service.

Cafe: You're welcome to bring your own coffee/beverage, but we will not be serving any drinks or food from our café.

Cleaning: We have been and will continue to do additional cleaning and sanitizing of surfaces and areas that are visited frequently at our campuses. Access to parts of the building not in use will be limited.

Crossroads Online:

If you find you or an immediate family member are feeling sick, please join us online. We Livestream our services on our [Crossroads Community Church Facebook page](#) at 4 times throughout the weekend. You can also find our messages on our [Crossroads Youtube Channel](#) or on the Messages page of our website: crossroadscn.com.

Thank you for your understanding and cooperation so we can make this a comfortable experience for everyone. Going forward these guidelines will be regularly evaluated and adjusted as needed.
