Explanation of Benefits for Ideal Dental Discount Plan

This plan provides dental coverage only for procedures that can be performed at Ideal Dental; located at 1835 South Federal Boulevard, Suite 101, Denver, CO 80219. Phone: 303)937-3750, Email-ideal dental denver@gmail.com.

The following procedures are never performed at our office and therefore are not covered in our plan:

- ✓ Impacted Wisdom Teeth Extractions
- ✓ Orthodontics
- ✓ Gingival Grafting
- ✓ Implants
- ✓ IV Sedation

We may enter into partnerships with other providers who have decided to honor our plan for these uncovered procedures, however, these partnership discounts are never a guaranteed part of this discount plan.

Unlike most insurance plans, cosmetic work is covered with this discount plan!

The plan will cost **\$19.99** per month per person and will have no deductible. This is an individual plan, not a family plan. Patients must enroll in auto payment to join the discount plan, or pay for 12-month membership up front. Children ages 0-18 of adult members may be enrolled for **\$9.99** per month per child. The plan will have a **\$1000** benefit limit the first year and will have **no limit** after the first year as long as payments have been made on time.

- ✓ Patients may skip the waiting period for unlimited benefits by paying for a year membership of the discount plan up front and signing up for automatic monthly payments after the first year is over.
- ✓ If payments are not made for 3 months the plan will expire and will reset as a new plan with limits when the next payment is made.
- ✓ The doctors and staff of Ideal Dental reserve the right to discontinue the plan, or sever the patient-doctor relationship at any point.
- ✓ Any patient that cancels their discount plan must pay for the months not enrolled to re-enroll in the plan (maximum of twelve months).
- ✓ The doctors at Ideal Dental reserve the right to refuse to do any specific procedure based on their judgement.
- ✓ This discount plan cannot be combined with any dental insurance.
- ✓ Any fee quoted in a treatment plan will be honored for one year from the date of the treatment plan unless the treatment requires changes, the fee was quoted in error (i.e. \$0 fee quoted), or if there was a computer/operator error.

Discount percentages are off of Ideal Dental Standard Master Fee Schedule, which is subject to change without notice.
