Chair of the Board 2018-2019

A Message from Ronald E. Lodzieski

I feel very privileged and pleased to report on the Foundation’s recent accomplishments and initiatives. These represent twenty years of cumulative efforts by supporters, board members and staff, all dedicated to enhancing the lives of our neighbors and the futures of our children.

During our 2018-19 fiscal year, our assets increased to over $19 million, tripling since 2017! Much of this growth may be attributed to a few special members of our Legacy Society whose bequests will forever benefit our community. Moreover, since the VISION 2020 Initiative began in 2015, over 900 individuals have joined the Foundation family as donors, and that number is expanding. With your strong support, we have already exceeded our original VISION 2020 expectations with nearly a year left in the Initiative.

These growing assets afforded distributions of nearly $700,000 last year. Fifty-four greater Williamsburg students received college scholarships. Many local organizations received competitive grants that enrich the lives of residents, providing services to seniors and low-income residents, mentoring and transportation for youth, and improved access to cultural experiences.

WCF increased efforts to join forces with like-minded organizations like the City of Williamsburg and the Kiwanis Club of Williamsburg Foundation. During the year, we offered a seminar on grant writing for local non-profits and co-hosted a statewide convening of community foundations in Virginia.

Many in our wonderfully generous community have entrusted us with their gifts, in both time and money, and we take that very seriously. As we begin our 20th year, the Board will embark on a strategic planning process. How can we make the most positive impact? What should be our role in the community? How can we meet your philanthropic interests? We welcome your input in this process.

We have much to be grateful for, but most of all you, the engaged citizens who have supported the Foundation over the past two decades. Please join us for our grant luncheons, scholarship award events, periodic “Lunch and Learns” or fundraisers. After, you may well feel the warmth of community and the value of individuals working together for a common good.

Ronald E. Lodzieski | Chair
Kiwanis is a global organization of volunteers dedicated to improving the world, one child and one community at a time. Since 1958, hundreds of local residents have joined the Kiwanis Club of Williamsburg, providing thousands of hours of service every year and raising funds to support local nonprofit organizations. Last year the club awarded grants to Grove Christian Outreach, Latisha’s House, Literacy for Life, and One Child Center for Autism, all in support of their programs serving children and families.

Over the past six years, Kiwanis has given out $149,137 to youth-oriented agencies in our community. In addition, for over twenty years the Kiwanis KIDS Program has made it possible for at-risk kids and their families to enjoy a fun-filled day at Busch Gardens.

In 2018, the Kiwanis Club of Williamsburg decided to partner with the Williamsburg Community Foundation, who will provide oversight and management of their charitable funds. The ultimate goal is to help those funds grow in order to make the most impact on local kids and families.

“We really look at this as a partnership,” said Mike Rock, president of the Kiwanis Club of Williamsburg. “It allows us to expand our reach in the community, so that we can provide more support to local organizations that are helping kids. I see it as a win-win for our community."

Scholarship
Alison and David Lennarz

When Alison and David Lennarz decided to create a scholarship endowment at WCF in 2018, they started thinking about the people who had made the greatest difference in their lives as a young family, and decided to dedicate the fund to six very special women.

Ruby DaCosta, Olive Hoilette, Sheila Jackson, Melissa Meekins, Gloria Dobson and Lalora Brown-Mason are among the longest serving caregivers of the Williamsburg Campus Child Care Center (WCCC), where Alison and David’s two children attended from infancy until kindergarten. Each woman has served well over twenty years, teaching children many important skills, including friendship, respect for others, conflict resolution, curiosity, listening, counting, reading, writing and so much more. They are also helpful coaches for new parents.

“It would be difficult to overstate the importance of these women in the lives of the babies, toddlers and children they care for daily,” said Alison. “By endowing a scholarship in their honor, we wanted to recognize not only their work, but also the incredible importance of excellent early childhood care and instruction in our community.”

The first Lennarz Family Scholarship will be awarded to a student who has financial need, and has shown responsibility and care for others by holding a job, taking care of a family member (parent, sibling, etc.), or serving the student’s community in a meaningful way throughout high school.
As we age, we want to know that we will be able to maintain the best quality of life for as long as possible, and we want the same for those we love. That’s why we are so fortunate to have people like Bill Massey in our community. In 2018, Bill was honored with Williamsburg Landing’s Outstanding Service to Seniors Award, a partnership with Williamsburg Community Foundation.

As the CEO of the Peninsula Agency on Aging, or PAA, Bill has been a champion for senior citizens for many years and was responsible for establishing a branch of PAA in Williamsburg. For people living with dementia, the agency offers Memory Café for socializing and resource-sharing among people experiencing memory loss, and their partners. For caregivers, PAA offers a family caregiver “lunch and learn” series to provide the hands-on skills needed to safely care for a loved one. For those who need help getting to the doctor, PAA provides transportation to non-emergency medical appointments. For seniors who need care coordination, PAA does a free, in-home assessment to identify and connect them with services that meet their specific needs. PAA’s information and referral specialist provides unbiased, accurate information about services available to seniors and caregivers.

Started in 2015, the Williamsburg Landing Fund is a permanent endowment to honor those unsung heroes who work to improve the quality of life for local seniors.

Health & Community Wellness
Len and Faith Shartzer

Len Shartzer, whose wife died from colon cancer, was a caregiver for four years, and Faith (Amoroso) Shartzer spent ten years as a caregiver for her husband, whom she lost to Alzheimer’s. They have learned that the caregiver’s pain from losing a spouse, child, parent or friend does not have to define the rest of his or her life.

Faith and Len met and married each other in 2010. Together, they find purpose by supporting their church, military veterans and other charities in the Greater Williamsburg community. In particular, they focus their attention and resources towards those afflicted by illness and disability and their caregivers.

Len and Faith chose the Williamsburg Community Foundation Health & Wellness Fund as one of several ways they can give back to their community. The Fund supports local causes and local people, especially those whose health and well-being are tested and compromised through illness, medical treatments, disabilities, caregiving responsibilities, depression and grief. For example, in 2018 the Foundation awarded Health & Wellness grants to Olde Towne Medical Center, Postpartum Support Virginia, and Rx Drug Partnership, just to name a few.

“We have given years of our lives to caregiving; thus, we learned through our personal experience how to manage the associated stressors and grief,” Faith said. “We understand the difficulties and daily challenges of caregiving and the potentially devastating effects. We want to grow caregiver resources and supportive services within our community. We feel blessed to be a part of the Williamsburg community where we are called to help one another through all phases, trials and mostly the joys of our lives.”
As a community, we value protecting and conserving our key physical assets—our rivers and waterways, parks, greenspaces and historical sites. That is why one of the Foundation’s six priorities is Environment and Conservation. We envision a community where those assets are maintained, preserved and accessible to all of our citizens.

Toward this end, in 2018 the City of Williamsburg provided seed money to create a Beautification Fund, which will support a broad array of projects that enhance the visual appeal of the city. This could include planting trees, improvements to parks and greenspaces, bike and pedestrian paths, and public art. As a fund of the Williamsburg Community Foundation, contributions to the City Beautification Fund are tax-deductible, so anyone can participate if they choose.

“We are most grateful to those generous citizens who have already stepped forward to contribute to the Fund,” said City of Williamsburg Mayor Paul Freiling. In addition, the Beautification Fund will be able to hold gifts expressly directed to the construction of a memorial to Dr. Martin Luther King, Jr.

“By serving as the charitable entity able to receive tax-deductible gifts,” said Freiling, “the Foundation has helped us achieve an important milestone in our pursuit of a proper tribute to Dr. King’s life of service and remarkable legacy.”

“I’ve always been passionate about the Williamsburg Symphony,” says Ingrid Brown, who has been involved with the group for many years, not only as a member of the board, but also as a violinist many years ago. The symphony, which celebrates its 35th season this year, will continue to bring beautiful music to our community thanks in part to Ingrid and her family.

The Brown family has supported Williamsburg Community Foundation from its formation, attending the first gala held in 1999 that created the seed money for its endowment.

“It wasn’t until recently that I realized that you could give in the way that I wanted to give,” said Ingrid.

In 2018, Ingrid and Ed created the Eva and Georg Siegert Fund in memory of her brother and sister-in-law. Georg Siegert was an actor and director in Berlin, Germany and later, in the U.S., worked for Voice of America for over 30 years, ending his career as Chief of German Service. In partnership with Williamsburg Community Foundation, Ingrid and Edgar Brown were able to create a fund in his memory, to support a cause he would have loved.

The Seigert Fund will provide annual grants to the Williamsburg Symphony Orchestra. Designated funds like this one allow you to choose a specific organization to receive annual grants. Pooled with the Foundation’s other endowments, designated funds can grow to provide more grantmaking dollars over time, and ensure that organizations like the Symphony have an ongoing source of support.
Leaving a Legacy
James & Halide Perisie

By all accounts, Jim Perisie was a very private man. He had a varied career, starting out in the U.S. Navy, working for General Electric for many years, and finally moving to Williamsburg in 1994, where he opened Perisie Jewelers in McLaws Circle. Along with his wife, Halide, Jim Perisie lived in Kingsmill for many years. Although we don’t know all the details of their lives together here, we can tell a lot by the decision they made to leave a legacy for our community.

After experiencing some health issues themselves, Jim and Halide felt strongly that there was a real need for more general practitioners in Williamsburg. They wanted to do something to address the need they saw and to leave a legacy that would truly help their community. They decided to include Williamsburg Community Foundation in their estate plan, to create a scholarship fund for medical school students. The Perisie Scholarship in Memory of James P. and H. Bihin Perisie will provide for one scholarship each year for a female student from greater Williamsburg to attend medical school in Virginia or North Carolina.

The Perisie Scholarships will benefit our entire community, as they are specifically for a student who plans to have a general practice in the Williamsburg area. This kind of gift can be transformational—for the student, her family and all those whose lives will be touched by her work as a physician. What an incredible legacy for our community.

Gwynn Sawyer

Gwendolyn Brinkley Sawyer’s legacy will help those without a voice, providing perpetual funding for four organizations that reflect her deep compassion and concern for the vulnerable—both animals and people.

She was passionate about providing for the welfare of animals and wanted people to be able to continue to enjoy the companionship of a pet even if their financial circumstances changed. Named in Gwynn’s honor by fellow volunteers who were inspired by her dedication, Gwendolyn’s Wish helps those with financial need by offering veterinary care for their pets. Hospice House & Support Care of Williamsburg provides physical, emotional, social and spiritual support to enhance the quality of living for individuals facing the last phases of life and the people who love them. Gwynn spent many years as a nurse anesthetist, so she understood very well the need for compassionate end-of-life care.

From her younger days in Norfolk to her later life in Williamsburg, Gwynn was a devout Episcopalian. Her support for two organizations that began as outreach ministries of the Episcopal Church in Virginia will continue through her fund at WCF. Jackson-Feild Behavioral Health Services helps teens who suffer from severe emotional trauma, mental illness and/or addiction. Boys Home of Virginia provides young men ages 6-17 with caring emotional support and guidance, on-campus schooling, opportunity for spiritual growth and vocational training. Thanks to Gwynn’s generosity, the Sawyer-Brinkley Fund will make its first grants in the spring of 2020.

In 2018, 54 graduating seniors from Lafayette, Jamestown and Warhill High Schools received $73,640 in scholarships through the W-JCC Scholarship Fund—the largest amount ever awarded. Established in 1974 as the Lafayette Education Fund, the W-JCC Scholarship Fund is a community-wide effort to recognize the accomplishments of local students. Scholarships are made possible by contributions from individuals, businesses, high school parent-teacher-student associations and civic groups. Please visit our website to view the full list of named and memorial scholarships, and their recipients.
