CERTIFICATE OF COMPLIANCE

This is to certify that the HDPE Waterstop Material (all models and sizes) manufactured by Press-Seal Corporation, Fort Wayne, Indiana, are manufactured in the United States of America using North American, and globally sourced components and meets or exceeds the physical property requirements of ASTM F 2510, ASTM C 923, ASTM C 1478 and ASTM F477.

This certification does not guarantee any field application or testing performance criteria. These criteria are controlled by product dimensions and tolerances, as well as field installation conditions and techniques, which are outside the control of the manufacturer.

Sincerely,
PRESS-SEAL CORPORATION
