Year: 2021

CERTIFICATE OF COMPLIANCE

This is to certify that each Manhole Life System Lift Eye (P/N 110.3600), as supplied by Press-Seal Corporation, 2424 W. State Boulevard, Fort Wayne, Indiana, are manufactured in the United States of America using North American, and globally sourced components and are rated at a maximum capacity of 3600 lbs, is tested to a minimum force of 18,000 lbs (resulting in a minimum safety factor of five), and therefore conforms to the requirements of OSHA Title 29, Part 1926.

This certification does not guarantee any field application or testing performance criteria. These criteria are controlled by product dimensions and tolerances, as well as field installation conditions and techniques, which are outside the control of the manufacturer.

Sincerely,
PRESS-SEAL CORPORATION

Brad Carpenter
Quality Manager
