

PRESS-SEAL CORPORATION

Providing products and services that protect our planet's clean water supply

Year: 2021

CERTIFICATE OF COMPLIANCE

This is to certify that Polysealant, a preformed flexible butyl rubber mastic supplied by Press-Seal Corporation, Sparks, Nevada, meets or exceeds the specification requirements of AASHTO M-198B, and ASTM C-990

This certification does not guarantee any field application or testing performance criteria. These criteria are controlled by product dimensions and tolerances, as well as field installation conditions and techniques, which are outside the control of the manufacturer.

Sincerely,
PRESS-SEAL CORPORATION

Brad Carpenter
Quality Manager
