CERTIFICATE OF COMPLIANCE

This is to certify that the RFS Prelubricated Gaskets manufactured by Press-Seal Corporation, 2424 W. State Boulevard, Fort Wayne, Indiana, are manufactured in the United States of America using North American, and globally sourced components and meet or exceed the Specification requirements of ASTM C 443 for standard rubber gaskets, ASTM C 1619, Class C for rubber gaskets, and CSA A257.3.

This certification does not guarantee any field application or testing performance criteria. These criteria are controlled by product dimensions and tolerances, as well as field installation conditions and techniques, which are outside the control of the manufacturer.

Sincerely,
PRESS-SEAL CORPORATION
