Notification of Cancellation of Remote Learning Rocksprings Independent School District

December 18, 2020

As part of our goal to ensure an effective learning environment for your child, we have evaluated attendance and/or grade level results of the Rocksprings ISD performance in remote learning, based on the following criteria:

- Student who have a class average of **69** or below
- Student who have **3** or more unexcused absences in any grading period.

Beginning on **January 5, 2021** your child may be required to return to in-person learning. If you have questions or concerns regarding this placement, please contact the Principal Matthew Head (matthew.head@rockspringsisd.net) or the Dean of Students eddie.byrom@rockspringsisd.net

If you disagree with remote learning cancellation, you may appeal this decision in one of two ways:

1. **Submitting a medical exemption**, which you can find attached to this communication. This exemption requires health care provider certification that your child or an individual in his/her household has a high-risk medical condition as defined by the Centers for Disease Control. You can submit this appeal via email to aimee.martin@rockspringsisd.net.
2. **Requesting a transition meeting**. If you request a transition meeting (which can be held virtually), **Rocksprings ISD** will contact you to schedule a transition meeting, including your student's teacher in The meeting will occur no sooner than 3 days after you request it, and your child may continue to learn remotely until the meeting has been held.

If you have questions about this notice, please contact Matthew Head Rocksprings ISD principal or Eddie Byrom Rocksprings ISD, Dean of Students.
