Western History Symposium
After Dinner Presentation

“I Felt the Call and I Must Go!”

Speaker: Jan Cleere

When the U.S. Army ordered troops into Arizona Territory to protect and defend the frontier populace, military men often brought their wives and families with them. The wives learned to cope with the sparseness, heat, sickness and danger. They played an important role in civilizing the Arizona frontier.

Jan Cleere is an award-winning author of five books. She has been honored frequently for her contributions in preserving “Western Women’s” history.

A Message from Our Sheriff

Howdy Fellow Westerners!

I hope it has been a good and safe month for you all. It certainly has been for Vicki and I. Our Posse has been busy. Ken and Brett are working on finalizing the Western History Symposium for November 6th (Don't forget to sign up for the dinner soonest. We can only seat 120). We are watching the current resurgence of Covid 19 to see if it is going to affect the Symposium. We will keep you updated.

Deputy Ken has been working on speakers for his year and we have started talking with the Center regarding meals for 2022. As you might imagine from your recent grocery shopping, it looks like the prices may be going up. We will keep you posted. There was also discussion about the possibility of going to a process for paying dues and meals online. There will be a survey of the members to see who is able to do so. In other business, since we did not collect dues for this past year due to Covid 19, it looks like we need to raise our dues a mite to help keep the organization solvent. As of January 1, 2022 our dues will be \$25 for individual membership and \$40 for a couple. However, to give it a little less sting, if you pay your dues between now and December 31, 2021, you will pay at the current rate of \$20 and \$35. Just send your checks with a note to Bob Harner, Keeper of the Chips, PO Box 11086, Prescott, AZ 86304. You can also use the form in the Round-up.

That's about all for now. -- A.J.
