COVID-19 TESTING CLINIC

Providing our community with peace of mind as we head into the New Year

Bethel Church of Morristown (along with the Spring Street CDC) is offering a COVID-19 Testing Clinic. Testing is offered at no out-of-pocket cost to participants.

Clinic Dates

The clinic will be held from **11 am to 3 pm** on the following dates:

- Saturday, February 6
- Saturday, February 13
- Saturday, February 20
- Saturday, February 27

Clinic Location

Bethel Church of Morristown is located at 59 Spring Street, Morristown, NJ. Please look for the entrance sign on the one-way street (Bishop Nazery Way) and park in the lot on the right side of the street. The entrance to the testing center will be marked.

To Get Your Results

Track your results-

1. Use the following QR Code to check test results:

FAQS ABOUT COVID-19 TESTING

Who is eligible for an appointment?

All residents whether or not they are experiencing symptoms of COVID-19.

How do I obtain a referral or prescription for COVID-19 onsite testing?

This is not needed as one will be generated upon the appointment schedule phone call.

What do I need to do to prepare for my COVID-19 test?

On the day of your appointment, drink plenty of water, bring a valid photo ID, proof of residence, and insurance (if you have insurance). If you are not insured, we will need a photo ID and your Social Security number.

How is the COVID-19 test administered?

The swab test for COVID-19 used by the lab is a test to determine whether or not you have the SARS-CoV-2 virus.

A limited number of antibody tests (serology-blood drawn) are available. If an antibody test is desired, let us know when you are called to schedule your appointment.

Is the COVID-19 test that is available onsite free?

There is no cost to you, but it is not free. It is paid by insurance, as directed by the US Government.

- For the insured: All screening and collection fees will be billed to your insurance. Deductibles, co-insurance, and copays do not apply.
- For the uninsured: We will need a photo ID and your Social Security number.

What do I do when I arrive?

Please check in at the desk inside. Bring your ID and insurance cards and have them available. Wear a mask when entering the facility and maintain social distance.

How will I get my COVID-19 test results?

You will be contacted via phone. Be sure your phone number is legible.

What do I do while I wait for my COVID-19 results?

Follow the existing CDC guidelines related to the precautions to be taken. This includes, but is not limited to, staying home as much as possible, wear a face covering or mask, maintain social distance, and wash hands frequently with soap and water.

If you have severe COVID-19 symptoms (e.g. coughing, sneezing, shortness of breath, fever, chills, headache, or loss of taste or smell) and need assistance, call 911 or your local emergency room.
