DOC FUSION® 365

DocFusion 365 Intelligent Template Designer and Document Generation Engine for Office Enables Everyone on Your Team to Increase Productivity

OFFICE APP BUILDER PROFILE: ASSIMILATED INFORMATION SYSTEMS

Assimilated Information Systems is an established software development company with a vision to create solutions to improve productivity, digitization, document automation, and paperless processes. DocFusion 365 is a dynamic, template-driven document generation engine designed to help you enhance your document content and processes.

WHAT WE OFFER

Design

The DocFusion 365 Designer is a Microsoft Word Add-in that allows users to work in a familiar environment with out-of-the-box "Smart Parts" to embed intelligence into documents. Say goodbye to lengthy development cycles, and take control of your document content.

Configure

Associate DocFusion 365 templates to SharePoint lists, configure document output settings, and store generated documents in SharePoint document libraries.

Compose

Generate documents in batch, or on demand in the Microsoft Azure cloud, fusing document parts enriched by data sourced from various data sources, including SharePoint, Dynamics CRM and more.

Process

DocFusion365 documents can be distributed via multiple channels and allow for approvals, electronic signing, storage, and indexing.

Microsoft | Go-To-Market Services

Office

Office takes the work out of teamwork with an all-in-one business solution, powered by Microsoft. The latest Office applications paired with enterprise-grade services like online file sharing and business-class email arm you with the right tools to maximize time and minimize effort.

KEY USE CASES

BUSINESS-CLASS EMAIL

Gain large, 50GB mailboxes with your own custom domain that can send messages up to 25MB in size, with contacts, shared calendars, and spam and malware protection.

ONLINE STORAGE

Store, back up, and share files, accessible from anywhere, and downloadable for offline access.

THE ULTIMATE NOTEBOOK

Never lose track of your notes again with OneNote. Type, handwrite, click, or draw your notes and they'll immediately sync to OneNote Apps across your devices. They're saved and searchable, too, so you can find them when you need them.

WINDOWS 10 INTEGRATION

Office and Windows 10 team up seamlessly for the most complete productivity solution. Just say "Hello" and Windows will log into your PC and Office, so you can start getting things done.

ALL THE RIGHT TOOLS

From presentations to spreadsheets and scheduling, Office powers your business with the tools you need to do your best work. Access the latest versions of the app suite—Word, Excel, PowerPoint, OneNote, Outlook, and more—fully installed and ready to go, complete with new templates and shortcuts designed to save you even more time.

WORK TOGETHER IN REAL TIME

Eliminate email chain clutter with Office online, where you can view, edit, and work on projects together—all you need is an internet connection. Taking a break? Improved tracking features bookmark your progress and bring you back, right where you left off.

SIZED FOR YOUR BUSINESS NEEDS

Office offers flexible plans to fit your organization's unique budget and capability needs. Whether you choose a one time purchase plan or a subscription to Office 365, Office is ready to work for you.

ON DEMAND ADVICE

New "Tell Me" box feature offers instant navigation to Office tools you need in that moment. No more shuffling through help menus and FAQs—simply tell Word, Excel, or PowerPoint what you need to do.

IT-ASSISTED INSTALLATION

Reduce installation headaches with expert IT support, on call to help make the process as smooth as possible.
