**Please email this form and your inspiration photos and/or Pinterest link to: [anne@distinctfloraldesigns.com](mailto:anne@distinctfloraldesigns.com)**

I will be unable to proceed and provide you with an itemized detailed proposal packet online without adequate information. ***Please fill out this form as best as you can and attach "inspiration" photos and/or your Pinterest link for the floral pieces you are looking to have for your wedding.*** My detailed wedding flower proposal takes 4- 5 hours to complete depending on the size of your wedding. The more information you provide the better and more accurate the quote. There are many types of designs that can be created (assembled) in different ways and containers, all which effect the price and overall look. Every wedding is different and everyone has a different style and taste is as well.

Once I receive this information, we can chat on the phone to discuss ideas in more detail if a consultation at this time is not possible. 603-759-1329

Please Note: An in-person consultation is always the ***best way*** to provide a detailed proposal and obviously the best way to provide visuals of the materials and present ideas and products that can and would be used. I highly recommend at least one consultation in person to go over the proposal (order) prior to the wedding date.

Thank you for reaching out to me for a proposal for the flowers for your very special day.

Warm Regards,

Anne Marshall, Nhmfd
