

How to query for the Number of Absences

Use the points associated with the attendance type to count absences:
Use the Daily Attendance History by Student report

Use the following query parameters:

1. Use student group of Student
2. Select the Attendance types
3. Use the Formula tool to count the absences

And/Or	Table Name	Field / Formula Name	Operator	Value
OR	RG_DAYATTEND	STUDENT_GROUP	=	STUDENT
AND	RG_DAYATTEND	ATTEND_TYPE	in	ABSENT, TARDY
AND	**FORMULA**	*POINTS	>	5

Formula

Name: POINTS (4) Table: RG_DAYATTEND (5) Type: Count (6)

Calculation: RG_DAYATTEND.ATTEND_POINTS (7)

And/Or	Table Name	Field / Formula Name	Operator	Value
--------	------------	----------------------	----------	-------

OK (8) Cancel Delete

Use the following Formula settings:

4. Name the Formula
5. Use Table RG_DAYATTEND
6. Use the Count type
7. Base the Calculation on RG_DAYATTEND.ATTEND_POINTS
8. OK
