

Teacher cannot access their Gradebook

The setting to allow access for the Teacher is on the Section Maintenance.

Go to Maintenance >
Sections > General Tab
Check the box marked
On Grade Report

The screenshot shows a window titled "Section Maintenance - (Algebra II)". The window has a menu bar with "Save", "Delete", and "Close". Below the menu bar are tabs for "General", "Schedule", "Roster", and "Comments". The "General" tab is active. The "General" section contains the following fields: Course ID (221), Phase No (1), Section No (02), Section ID (221-02), Faculty ID (MROZM, Mr. Jason Bruce Rodriguez), Room (C204), and Group (empty). There is a checkbox for "Display in the S/P Community" which is checked. The "Class Size" section contains: Max. Class Size (20), Min. Class Size (empty), Opt. Class Size (empty), and a "Current Enrollment" table. The "Grading" section contains: Multiplier (1.000), GPA Bump (1.000), "On Transcript" (checked), "On Grade Report" (checked), "On GPA Group" (checked for 1, 2, and 3), and "Use Which QPA Points" (Standard). The "Current Enrollment" table is as follows:

Current Enrollment:	
Male	6
Female	6
Total	12

The Gradebook will now display for the Teacher.
