ASHRAE Iowa Chapter

2022

MEMBERSHIP ROSTER

AND

PRODUCT DIRECTORY
IOWA CHAPTER - ASHRAE

FOREWORD

The 2022 Chapter Membership Directory and Product Directory of Manufacturers and their Representatives in the Central Iowa area has been prepared by the Iowa Chapter of ASHRAE as a service to all its members and as a service to the local HVAC industry.

The Directory is intended to provide better communications between manufacturers and their sales representatives, engineers who specify products, contractors who purchase and install the equipment, and other interested parties. Product Directory listings are not limited to ASHRAE members and the listings are not to be considered as advertising or endorsement by ASHRAE of any product, manufacturer or representative.

Since the Directory is useful when the data it contains is current in all respects, the Chapter re-issues an updated version on an annual basis.

The membership roster is based on ASHRAE’s database. Members are encouraged to verify their information and update their bio on www.ashrae.org. Please note that corrections have been made to this directory, in cases where the authors have been made aware of changes in employment or contact information.

Additional copies of this Directory are available at $10.00 per copy.

Suggestions on ways of improving the Directory or notification of errors in this edition are sincerely invited. Please contact:

Holly Elbert

<tr>
<td>Baker Group is a large design-build Industrial and Commercial MEP Contractor based in Iowa. We emphasize long-term relationships, while supporting clients with Piping, Plumbing, Electrical, Ductwork, Specialty Metal Products, Site Utilities, Certified Pressure Vessel Welding and other Specialty Services, including Infrared Thermography, Voice/Data/Video Systems, Vibration Analysis and Laser Alignment. In addition, we offer industrial and commercial automation, Video, Security and Fire Alarm Solutions. Our MEP VDC/BIM skills support our advanced manufacturing capabilities.</td>
</tr>
</tbody>
</table>

| **BuildindIT by Baker Group** (Schneider Electric, TAC, Invensys, Siebe, Barber-Colman, Robertshaw, Rockwell Automation/Allen Bradley, Alerton, Tridium and Lynxspring Control Systems)  |
| Complete line of building automation and industrial process automation sensors, valves, controllers and graphical software interfaces. |

| **Transair an AIRpipe Compressed Air Piping**  |
| Complete modular ‘push connect’ or ‘clam shell’ aluminum compressed air piping systems designed for quick installation, efficient air flow and maximum future flexibility. |

| **Air Compressors - Chicago Pneumatic, FS Curtis, Atlas Copco and Powerex**  |
| Complete Industrial compressed air system & air treatment solutions. |

| **Samuel Pressure Vessel Group, Manchester Tank**  |
| Compressed Air storage receivers |

**Manufacturers Represented**

<table>
<thead>
<tr>
<th>Manufacturers Represented</th>
<th>Product Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>AAON</td>
<td>Air handling units, condensers and condensing units, chillers and outdoor mechanical rooms, self-contained units, packaged rooftop units (2 to 230 tons), geothermal heat pumps, water source heat pumps, air source heat pumps, natatorium and pool room units, controls and coils.</td>
</tr>
<tr>
<td>AAON Controls</td>
<td>Single zone VAV, zoning, constant volume, VAV, water source heat pump, and make-up air system controls for packaged equipment, split systems or custom applications not needing special or custom programming.</td>
</tr>
<tr>
<td>ACR Systems</td>
<td>Air quality, temperature, relative humidity, current, voltage, and pressure stick-on loggers (recording devices), computer software, CO2 data loggers.</td>
</tr>
<tr>
<td>Acme Fans</td>
<td>Centrifugal and prop fans, roof and wall exhausters, inline duct fans, utility vent sets, supply air fans, gravity relief and intake hoods.</td>
</tr>
<tr>
<td>Airius Fans</td>
<td>Destratification Fans.</td>
</tr>
<tr>
<td>Amber Booth/VMC</td>
<td>Vibration isolation, floating floors, equipment inertia bases.</td>
