

Job Title: Health Screener
Employment Status: Per diem
Job Location: Clients are primarily in West Michigan, but are located throughout the lower peninsula of Michigan
Posting date: July 26, 2021

Are you passionate about wellness? Help make a difference in the lives of our client's employees by supporting a culture of health at the worksite.

We are seeking an enthusiastic, passionate wellness professional to join our team and service clients throughout the state of Michigan by performing biometric screenings at our client's worksites. Therefore, reliable transportation is required.

This position is a part-time, per diem role, which means our Health Screeners have flexibility in setting their own schedule. Hours vary from week to week and screeners must be able to work a variety of shifts, including early morning shifts. Occasional overnight shifts are also possible.

WHAT YOU WILL BE DOING:

- Providing excellent customer service to our clients
- Demonstrating both a professionalism and relational skill that makes participants feel welcome and safe
- Performing and recording biometric testing results including, but not limited to height, weight, blood pressure, BMI and finger-poke blood draws
- Reviewing results with individuals, providing coaching and offering resources to make healthy lifestyle changes
- Assisting team in setting up and tearing down work stations, which may include lifting 10-20 lbs

REQUIREMENTS:

- A bachelor's degree in a health-related field
- Ability and willingness to work early mornings
- Knowledge of the fundamental principles of physical activity and nutrition and how they impact overall health
- Outstanding customer service skills; professional appearance and demeanor
- Drive and maturity to be dependable, punctual, and responsible
- Demonstrated fluency in English, Spanish preferred.
- Excellent verbal skills, with the ability to relate to and communicate with a wide range of individuals
- Strong attention to detail while working in a fast-paced setting
- Reliable transportation
- Current CPR certification
- Preferred: two years' experience of Health Screening or Phlebotomy experience

Apply by emailing your resume to chris@onsitewellnessllc.com
