PROTECTING GOD'S CHILDREN

In order to comply with the Archdiocese "Safe Environments Policy", **any parent/grandparent/legal guardian** who plans on volunteering in the school, helping in your child's class, working as a lunch monitor, hot lunch prep/server, library aide, athletic coach or as a chaperone in Grades K-8, **must attend** a "Protecting God's Children" workshop before you can volunteer in any capacity at Cabrini Schools. NO EXCEPTIONS will be made to this policy.

You can "view sessions" in the area and "register" in the Downriver and surrounding communities by going online and doing the following:

Go to: www.virtusonline.org (click "registration" then "view sessions" then select the "Archdiocese of Detroit"). Look at the sessions and select one with availability. SPACE IS LIMITED. Pre-register as soon as you can. **A copy of your certificate must be on file with the school office and a background check done upon completion of the class BEFORE** you will be able to volunteer. Contact the school office upon completing the class so we can send a back-ground check form home with your child for you to complete and return. Background checks can take approximately one-two weeks to complete so don't wait until the last minute to take this class.
