

FREE BLOOD LEAD TESTING

August 18, 2021

10 a.m.-4 p.m.

330 West Main Street, Clarksburg

The Clarksburg Water Board recently received test results showing a number of homes within Clarksburg's water system are either above or near the EPA's action level for lead in drinking water.

This event is hosted by the Harrison-Clarksburg Health Department for Harrison County residents (who do not have a primary care physician) who are:

- Younger than 6 years of age
- Immunocompromised
- Pregnant
- Living in homes built before 1950

To pre-register, call: 1-800-642-8522.

Funding for the event is provided by the Centers for Disease Control and Prevention, US Environmental Protection Agency, and the West Virginia Department of Health and Human Resources, Bureau for Public Health.
