TO: Board of Trustees
FROM: Dennis Bay, Executive Director Business Services
DATE: October 24, 2016
SUBJECT: Construction Projects Reports

The construction reports for projects in progress as of October 24, 2016, are attached for your information.

Pay Applications for all Capital Construction Projects for the month of September, 2016 is estimated to total just over $5.5M.

(This includes design, construction, project management, construction material testing, abatement, City fees and service utilities)
Construction Highlights October, 2016

• KWHS:
  o Theatre renovation is continuing, nearing completion
  o Demolition is continuing, nearing completion
  o New Music wing construction on-going
  o Regrading site where existing building demolition will continue, weather permitting
  o New “peninsula parking lot” grading continuing

• NCHS:
  o Phases 5 & 6 construction on-going
  o New Main Gym roof joists are on site
  o Structural steel framing continuing
  o Floor slabs are continuing
  o Interior wall framing, Phase 5 on-going

• Bar Nunn ES Addition + new Preschool (2 room addition) +existing building renovation:
  o Structural steel framing is nearing completion
  o Masonry walls continue
  o West parking expansion is complete
  o Interior floor slab prep work is ready for concrete slab placement

• New “Journey ES”
  o Structural steel installation is complete
  o Slab concrete complete
  o Interior and exterior framing in progress
  o Exterior brick continues
  o New roadways are being constructed

• KWHS Pool:
  o Pool building construction final items (announcers booth, new entry vestibule)
  o Staging area and campus storage area are continuing
  o Project completion is 2 months ahead of schedule

Construction Project Report
October 24, 2016

Project: Kelly Walsh High School new Building          Project Phase: Construction
Address: 3500 E. 12th Street, Casper, WY  82609

NCSD Project Manager: Dennis Bay/Doug Tunison
Architect: RB+B Architects, Fort Collins, CO and
          Amundsen Associates, Casper, WY
Civil Engineer: Worthington Lenhart and Carpenter, Inc. (WLC), Casper, WY
Structural Engineer: Lower & Company, PC, Casper, WY
Mechanical/Plumbing Engineer: Engineering Design Associates (EDA), Casper, WY
Electrical Engineer: Engineering Design Associates (EDA), Casper, WY
Electrical Sub-Contractor: Casper Electric, Casper, WY
MEP Sub-Contractor: KK Mechanical, SLC, UT
Commissioning Agent: Beaudin Ganze Consulting Engineers, Inc., Avon, CO
Owners Representative: NV5/Consilium Partners, Denver, CO

CMAR: Sampson Construction Co., Inc., Cheyenne, WY

Major Contractors/material suppliers working on project:
Excavation Ramshorn Construction, Casper, WY
Drilled piers Elco Drilling, Casper, WY
Concrete forming & reinforcing Jack Daniels Construction, UT
Concrete reinforcing supplier Teton Steel, Casper, WY
Electrical Casper Electric, Casper, WY
Structural Steel supplier Western Slope Iron and Supply, Grand Junction, CO
Masonry Contractor Soderberg Masonry, Fort Collins, CO

Sampson Construction GMP: $80,236,982 (SFD funded incl Alternates & Enhancements)
Total Project: $86,257,128 (incl Change Orders + Enhancements)
Paid: $76,731,141     % Complete: 89%

Architectural Design fees (includes change orders): $5,300,122.00
Paid to date: $4,875,486    % Complete :92%

FF&E Budget: $3,131,772 – Bid January 19, 2016 – Bids received under budget

1. Project Description Kelly Walsh High School new building and demolition of existing building on current site
2. Project Description Kelly Walsh High School new building and demolition of existing building on current site
   - New KWHS building with all enhancements Gym, Lower Level PE/Running Track, CTE, Commons, exist pool and adjacent spaces = 335,262 SF (total enhanced = 71,349 SF).
   - Existing KWHS building = 342,778 SF
   - Student design capacity is 1,574 students (building additions are planned for future increase in KWHS enrollment)
   - Seating capacity is 2,320 seats for the main gym and 495 seats for the aux gym.
   - Seating capacity in the renovated theater is 542
   - Building design has been modified to include saving the existing theatre and incorporation into the new building. (Existing theatre will be renovated during the last months of the completion of construction phase of the new building, starting Spring 2016 – Fall 2016)

3. Activities in Progress

Site Work:

- Phase 1 (complete Fall 2016) – The area surrounding new Kelly Walsh
  - Landscaping on hold for weather until next spring.
- Phase 2 (complete Fall 2017) – The area of campus east of the stadium and north of new Kelly Walsh
- Phase 3 (complete July 2018) – The area of campus north of soccer fields and west of stadium

Existing Building Move out, Abatement, & Demolition:

- Mass Demolition
  - Portable units demo/haul off complete
  - Existing CTE labs demo complete
  - H-Wing Demo Ongoing
  - J-Wing Demo Ongoing
  - E-Wing Demo Ongoing
  - F-Wing Demo Ongoing

Theater Renovation & Music Expansion:

- MEP rough in; complete
- Framing for acoustic panels; complete
- Ceiling installation and ceiling tie-backs; complete
- Ceiling painting; complete
- Theater framing; complete
- Theater seating; complete
- Acoustical Panels; nearing completion

Main Building:

- Josh Neill sent a memo to Sampson on behalf of RB+B to revise the substantial completion date to July 15, 2016. Thad with Sampson Construction responded with an e-mail agreeing to the date. RB+B to reissue the letter of substantial completion with the revised date.
- Punch List – Final review is ongoing.
Construction Challenges:

- Retaining the existing swimming pool; all new utility connections and closure walls (2) after demolition of remainder of KWHS building directly attributable to retaining the existing Pool building will be paid for by the SFD. District will be responsible for any work in spaces retained by District for future use (existing Wood Shop and existing Metal Shop and any site work necessary for the retainage of these existing spaces).
- The southern parking lot west sidewalk design elevations will not tie into the existing practice field seating. RB+B is discussing grade elevation issues and possible solutions with WLC, the best solution at this time is extending the existing retaining wall. Design is still outstanding.
- The slope outside the wrestling room west entrance is not acceptable. RB+B/WLC suggested a gravity block wall to stabilize the slope. Design is still outstanding.
- Currently CFA’s and pending changes exceed the contingency budget. Sampson/RB+B will submit their position regarding each contingency item to NV5. NV5 will review and provide a recommendation to the NCSD and SFD (This process is in progress).
Kelly Walsh HS Building Key Plan

Area A: Main level: Wrestling, Aerobics, Fitness/Weight, Health, Storage
Area B: Lower level = PE, Fitness, wt rm, running track Main level = Aux & Main Gyms
Area C: Main level: Men's/Women's Locker Rms
Area D: CTE Shops & Agriculture classroom & lab
Area E: Lower level = Band/Instrumental Music, Drama Classrooms, Driver's Ed. Upper level = Exist. Auditorium/Theatre & Vocal Music, Lobby
Area F: Lower level: Restrooms, Mechanical Main level = Culinary Arts, School Kitchen/Serving, Loading dock, Commons
Area G: Main level = Admin. area/offices, Classrooms, HSHS Academy learning Upper level = Classrooms, ACME Academy learning
Area H: Main level = Media Cntr., Classrooms, BANR Academy learning Upper level = Classrooms, CACD Academy learning

1. **Project Description**
   - Natrona County High School Renovations, including detailed work to preserve the integrity of the historic building while accommodating the learning needs of today’s students
   - New NCHS building with all enhancements CTE, and MACC = 364,729 SF (total enhanced = 62,085 SF). Original NCHS building + VocED = 327,544 SF
   - Student design capacity is 1805 students
   - Seating capacity in the main gym is 1,762 and seating capacity in the renovated theater is 837

2. **Activities in Progress**
   - **Phase 3 – Northeast Expansion**
     - Boilers and some MEP equipment installed in Ph3 will need to be recommissioned as future phases come online.
     - 1 Year WARRANTY has EXPIRED
   - **Phase 4 – East & South Wing of Historic Building**
     - MEP building commissioning ongoing.
     - AP has requested release of Ph4 retainage – Bassetti has submitted a letter stating their recommendation to release retainage.
   - **Phase 5/6 – West wing of Historic Building & Arts/Athletics Expansion**
     - Excavation, form and pour of footings and walls ongoing, foundation backfill ongoing.
     - Concrete slabs prep and pour ongoing
     - Concrete decks prep and pour ongoing
     - Rebar installation for and installation of shotcrete in west wing ongoing.
     - Foundation damproofing & waterproofing ongoing, vapor barrier at slabs ongoing
     - Structural masonry ongoing
     - Structural steel ongoing
     - Demolition at historic building ongoing – nearing completion.
     - Exterior window installation and caulking ongoing at west wing
     - Underground MEP rough is complete.
     - Structural fireproofing ongoing

Project Schedule Progress 0 days behind

**Construction Challenges:**
- All existing infrastructure; electrical, mechanical, plumbing, intercom, fire alarm, etc. has to remain in place along with all new items until each phase is completed and new infrastructure is brought “on line” and accepted
- Moving to the “Swing Space” MACC building at each phase then moving back to the renovated/new portions of the Main building between phases will be completed with each phase through Early 2018

Project: Bar Nunn Elementary School Additions & Renovation  
Address: 2050 Siebke Drive, Bar Nunn, WY  82601

Funding Sources: SFD & NCSD (2 New Preschool Classrooms)

NCSD Project Manager: Keith Brown
Design Architect: Stateline 7 Architects, Casper, WY
Contractor: Pope Construction Inc., Casper, WY

SFD Design & Construction Allocation: $4,092,089

Description
- Construct an addition to Bar Nunn Elementary School to allow it to convert to a 4/3 model to support a new capacity of 384 students with a 16,479 square foot addition including 2 Preschool classrooms (NCSD funded)
- Total number of classrooms will be twenty-two, not including rooms for other District programs.

Activity
- Footers & Foundation Stem walls & backfill 100% complete
- Bar Joist and Roof Deck delivered to site
- New Sewer Tap Completed
- Curb & Gutter & Lighting, & paving for parking lot expansion complete.
- Structural Steel Installation started 9/21/16, now 95% complete
- Structural steel for roof parapet 95% complete
- Structural steel wall bracing complete.
- New Sidewalk from Parking lot to School 100% Complete.
- Emergency exit pathway through construction area installed.
- Under slab plumbing and electrical rough in complete, free draining gravel installation complete.
- Exterior framing started, bottom plates have been laid out and bolted in place.
- Masonry at the gym is 35% complete

- Construction Challenges
  - New building structure will be completely independent from existing structure
  - Construction will be on-going while students are in classes, 2016-2017 school year

Project: Renovation of Existing KWHS Swimming Pool and Renovation of Existing Adjacent Spaces

Project Phase: Construction

Address: 3500 E. 12th Street, Casper, WY 82609

NCHS Construction Budget: $5,877,034 (includes $326,390 State Funded for infrastructure)

NCSD Project Manager: Dennis Bay & Doug Tunison
Architect: RB+B Architects, Fort Collins, CO

General Contractor: Sampson Construction

Major Contractors/material suppliers working on project:
Davidson Mechanical
Sheet Metal Specialties
Advance Drywall
Western States Fire Protection
Cities Service Electric Co
High Country Pools

Project Description:
- Renovate existing pool building, locker rooms, upgrade pool equipment
- Renovate existing Wood Shop into swimming team staging area
- Addition of a new main entrance, public restrooms, concessions area
- Renovate portion of existing Metal Shop into a campus storage area

- Design complete- project out to bid February 15, 2016
- Construction bid March 4, 2016
- Pool Construction start April 7, 2016
- Pool Construction complete September 30, 2016
- Shops renovations start August 1, 2016
- Shops completion February 24, 2017

Activity: Project Construction
- Phase 1 Complete (Pool) on 9/30/16
- Substantial Completion Established for Phase 1 on 10/5/16
- Completing Front Entrance
- Electrical & Plumbing – New Bathrooms
- Converting Shops to Ready Room (Plumbing & Electrical)
- Purchasing FF&E
Entry Vestibule Construction

Project: Renovation of Old CYJH Gym

Project Phase: Design

Address: 2211 Essex Ave, Casper, WY 82604

NCHS Construction Budget: $1,600,000

NCSD Project Manager: Doug Tunison
Architect: RB+B Architects, Fort Collins, CO

General Contractor:

Major Contractors/material suppliers working on project: NA

Project Description:

- Renovate existing gym space to create additional permanent indoor gym space
- Renovate existing locker rooms for use as team rooms and storage
- Addition of public restrooms

  o Design complete- project out to bid   November, 2016
  o Construction bid  December 2016
  o Construction start  February 2017
  o Construction complete  July 30, 2017

Activity: Project Design
Project: Renovation of Old CYJH Music Rooms for Pre-School

Project Phase: Design

Address: 2211 Essex Ave, Casper, WY 82604

NCHS Construction Budget: $670,000

NCSD Project Manager: Doug Tunison
Architect: RB+B Architects, Fort Collins, CO

General Contractor:

Major Contractors/material suppliers working on project: NA

Project Description:
  • Renovate existing music rooms above gyms to create Preschool
    o Design complete- project out to bid November, 2016
    o Construction bid December 2016
    o Construction start February 2017
    o Construction complete July 30, 2017

Activity: Project Design
Active Projects

- Centennial HVAC DDC Replacement
- Centennial Replace Three AC Condensing Units
- Centennial Replace Gym Lighting with LED (Out to Bid)
- Centennial Replace Remaining Interior Lighting with LED (Design)
- Cottonwood Replace Exterior Lights with LED
- Cottonwood Repair HVAC DDC
- CSF Irrigation System Complete
- CSF Front Entrance Sign
- CSF EIFS Installation (Out to Bid)
- CSF Transportation Replace Parking Lot Lights with LED (Construction)
- Crest Hill Security Fence (Complete)
- CYMS Replace Exterior Lighting with LED incl. parking lots
- Old CY Gym Field – Replace Irrigation System (Complete)
- DMJH Replace Interior Lighting in Common Areas with LED (Design)
- Evansville Replace Intercom System (Design)
- Evansville Relocate Office for Security (Design)
- FMS/CCA Replace Exterior Lights with LED
- Fort Casper Replace Two Air Handlers
- Fort Casper Replace Exterior Lighting with LED
