**Risk Manager**

**Purpose**

The job of Risk Manager is done for the purpose/s of assisting with the coordination of the district's liability insurance and safety and crisis management programs; establishing and analyzing all relevant data to effectively control plans in order to bring claims to equitable conclusion for employees and the district; ensuring proper financial allocation of expenditures and revenues; and acquiring and/or providing accurate information. This job is distinguished from similar jobs by the following characteristics: must be able to respond to and/or direct appropriate resources for emergency situations. This job reports to Associate Superintendent of Human Resource and District Services.

**Essential Functions**

- Assists in implementing in-service training programs on health and safety (e.g. hazards, disaster preparedness, OSHA's Hazardous Communication Standard, Employee Right-to-Know, etc.) for the purpose of reducing the incidence of accidents and meeting state and federal guidelines.

- Collaborates with a variety of internal and external stakeholders (e.g. risk management and crisis response team/committee; HR Division, Transportation, Facilities & Operations; legal counsel; government agencies; etc.) for the purpose of conveying and/or receiving information, problem solving and generating recommendations.

- Composes a variety of materials (e.g. reports, correspondence, procedures, manuals, prepares bid packets, etc.) for the purpose of documenting activities, providing written reference and/or conveying information.

- Coordinates the preparation and analysis of all insurance claims, student injury incidents, and OSHA reports for the purpose of ensuring the timely and accurate presentation of facts.

- Develops long and short range programs for liability insurance risks and related services for the purpose of minimizing the district's insurance liability.

- Informs personnel regarding a variety of procedures and program requirements (e.g. disposal of all hazardous waste, MSDS, EPA regulations, green energy, Safe Water Drinking Act, etc.) for the purpose of providing necessary information for making decisions, taking appropriate action and/or complying with established fiscal guidelines.

- Investigates safety or environmental concerns for the purpose of recommending remedial actions - as needed - to ensure the safety, health, and welfare of students, staff, and patrons.

- Maintains records and files (confidential and non-confidential) (e.g. student injury incidents, etc.) for the purpose of ensuring documentation for future reference in accordance with administrative and legal requirements.

- Monitors assigned district activities and/or program components (e.g. fund balances & related financial activity; student accident/incident reports; worker’s compensation; security contracts; insurance billing, etc.) for the purpose of coordinating activities and ensuring compliance with established financial, legal and/or administrative requirements.

- Participates in meetings, workshops and seminars for the purpose of conveying and/or gathering information required to perform functions.

- Recommends changes and updates to the emergency/crisis response plans for the purpose of providing efficient utilization of district financial resources and ensuring the safety of students, staff, and patrons.
• Researches claim trends, laws, regulations for the purpose of implementing remedial programs and recommending alternative courses of action to reduce incidents of accidents and claims.

• Responds to inquiries for the purpose of providing information and/or direction.

Other Functions
• Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.

Job Requirements: Minimum Qualifications
