

Nemacolin Woodlands Resort to Host 18th Annual WinterFest on February 3

FARMINGTON, PA (January 25, 2018) – Baby, it’s cold outside! Next Saturday, February 3, marks [Nemacolin Woodlands Resort](#)’s annual [WinterFest](#) celebration, the Laurel Highlands region’s premier winter adventure family event. From the icy but thrilling Polar Bear Plunge to the Funky Slopestyle competition that celebrates wacky ski fashion and dancing the night away at the Snowmelt Party, there’s something for everyone on this day full of winter fun.

Gather the family and embrace the chilly weather at Nemacolin’s winter playground! The lineup for the resort’s WinterFest day of adventure includes:

- **Polar Bear Plunge** (11 a.m.) – If you’re brave enough, put on your bathing suit and jump into the icy cold snowmaking pond to receive a FREE lift ticket for the day.
- **Sled Dogs Meet & Greet** (11 a.m. – 2p.m.) – You don’t have to go to Alaska to see dogs pulling a sled through the snow! Meet Nemacolin’s revered sled dogs at Mystic Mountain’s Yurt.
- **Kidz Snow Activities** (11 a.m. – 4 p.m.) – Snowman building, snow angel painting, winter lawn games, and organized snowball fights will beckon younger guests throughout the day.
- **Funky Slopestyle Competition** (12 noon) – It’s time to walk the catwalk... in your jazziest snow sport gear! Medals will be awarded for the top three finishers.
- **Funky Relay Race** (2 p.m.) – Grab a partner and race up and down the slopes to compete in several winter activities. *Fee of \$10 per person applies.*
- **Out Cold Race** (4 p.m.) – Sign up or enjoy watching participants race down to the bottom of the hill while trying not to spill a mug of beer. *Fee of \$10 per person applies. Must be 21 years or older to participate.*
- **Snowmelt Party** (7 – 11 p.m.) – Warm up and dance the night away with live entertainment and scrumptious food and fare at the Sundial Lodge.

Nemacolin proves that fun is a year-round amenity, offering more than 70 activities and a series of new and inspiring events throughout the year. There’s no excuse to stay inside this winter as the resort’s 2,000-acre campus offers six slopes of downhill skiing and a variety of winter sports including snowtubing, dog sledding, cross-country skiing and much more.
