ADOPTION CONTRACT

Initials As a responsible rabbit owner, I will consider my rabbit a family member and will be housed inside. I will make every effort to commit to the care of my rabbit for his/her lifetime (may live to 15+ years), even during times when having a rabbit is inconvenient, such as when moving or when experiencing training/behavior difficulties.

Initials I will rabbit-proof the area my rabbit has access to for both my rabbit's safety and that of my possessions. I will keep houseplants and electrical wires out of my rabbit's reach. Electrical cords will be hidden or covered with plastic tubing to prevent accidental electrocution.

Initials I will provide sufficient housing for my rabbit. It will be large enough for my rabbit to sit upright, stretch, turn around and be active (minimum of one exercise pen). It will contain food, toys and a litter box. All or some portion of the flooring will be solid. I will use rabbit-safe litter, not clay, clumping cat litter or wood shavings.

Initials I will give my rabbit exercise time outside his/her nighttime cage each day. If this exercise is given outdoors, it will be supervised in a safe area in order to prevent escape via digging and climbing, and also access of predators. My rabbit will not be allowed in this enclosure after dark.

Initials I will provide proper grooming for my rabbit, this includes brushing and nail trims. I will check my rabbit's teeth regularly for overgrowth.

Initials I will provide a proper diet to my rabbit. This will consist of Timothy or other grass hay (80% of diet), fresh vegetables (10%), fruits (5%), and quality pellets only as treats (5%). Fresh water will be provided at all times.

Initials I will never physically abuse my rabbit, nor will I allow another person to do so. I will always supervise any children when they are interacting with my rabbit.

Initials I will always keep my rabbit in good health, which includes providing my rabbit with regular veterinary care from a veterinarian knowledgeable in rabbit medicine.

Initials If I am unable to care for my rabbit and/or unable to maintain this agreement for any reason, I will contact Bunnies Matter immediately for assistance. I will not sell, give away, or abandon my rabbit.

Initials There may be special circumstances when a rabbit is not able to be spayed/neutered at the time of adoption (i.e. Our Foster to Adopt Program). If this is the case with my rabbit, I agree to get my rabbit spayed/neutered by the agreed upon date and to provide proof of such to Bunnies Matter in a timely fashion. By Clark County & City of Las Vegas ordinances, this adoption is not final until the spay or neuter is performed. The said rabbit will remain the property of Bunnies Matter until the spay or neuter has been confirmed.
