

Business Sponsorship Opportunities with Munster Education Foundation

Munster Education Foundation (MEF) is an independent, non-profit organization whose mission is to support innovative and /or experiential learning in the School Town of Munster through partnerships with educators, parents, businesses and the greater community. Our main fundraising effort is our annual event.

While an in-person event is not possible at this time, needs within our schools still exist. Thus, MEF still wanted to provide our loyal Jeans & Jersey attendees with the opportunity to support our schools while enjoying a fun evening... so we are gathering virtually this year. **Jeans & Jerseys At Home** will take place **Friday, February 5, 2021**. For \$100, a couple will receive four 16-ounce craft beers, 2 pint glasses and a charcuterie board from Byway Brewery (pick up or delivery provided to registered guests) to enjoy during a beer tasting and food pairing hour. A virtual trivia hour with prizes followed by raffle pulls will provide our guests with a fun *and* safe evening. We look forward to highlighting our business sponsors at this event.

Donation of \$100 will be recognized with:

- Business name/logo on printed program card provided in tasting package
