Kindergarten Teacher

I work in an inclusive kindergarten setting. My responsibilities include planning whole and small group lessons, incorporating differentiated instruction, developing behavior supports, directing students in self-regulation, administering assessments, and using data for progress monitoring and lesson development.

S.T.A.R.S. School

June 2014- December 2014

Preschool Teacher

I worked as a teacher in a 2-3 year old classroom for children with autism. My responsibilities included planning individualized and differentiated instruction, assisting with sensory room counseling, and directing students in self-regulation behaviors.

Field and Clinical Experience

I have completed three hundred and eighty-five hours in diverse classrooms at schools such as Coral Reef Elementary, Gloria Floyd Elementary, Norma Butler Bossard Elementary, Kids for Kids Academy, Children's Resource, and Tropical Elementary. At these schools, I conducted several observations, planned and implemented lessons and assessments, collaborated with teachers, and conducted an action research project on teacher inquiry for struggling readers in a first grade classroom.
