RESIDENTIAL BUILDING PERMIT APPLICATION

PERMIT #	APPLICATION DATE:	Application is hereby made for a building permit in accordance with the description and for the purposes hereinafter set forth. This application is made subject to all City and State laws, ordinances, rules and regulations now in force or that may hereafter be enacted affecting or regulating thereto and which are hereby agreed to by the undersigned applicant and which shall be deemed a condition entering into the exercise of this permit. Approval of this permit shall not be construed as authority to violate, cancel or set aside any provisions of applicable codes. The work conducted under this building permit will be subject to inspections during normal office hours by appropriate City officials for the purpose of determining compliance with applicable State and City laws and regulations. Such inspections are authorized by VA Code §36-105. By accepting this permit, the undersigned applicant agrees to these inspections. In addition, real estate assessors may inspect work as authorized by VA Code §58.1-3280.
	APPLICABLE VUSBC:	
INSTRUCTIONS		
This permit application does not include installation of electrical, plumbing, heating, air conditioning, elevators, or fire protection systems. Separate permits are required for these systems and must be obtained prior to the time that work is begun.		
Submit completed application form with two (2) complete sets of construction documents.* <i>New buildings and additions to existing buildings require a Zoning Construction Permit before obtaining a Building Permit.</i>
