

DENVER LANGUAGE SCHOOL

— *Your Passport to the World* —

It is my pleasure and honor to recommend Dance Exploration for the consideration of an afterschool enrichment provider for Aurora Public Schools. Dance Exploration has held several afterschool programs at Denver Language School for over 5 years. Their diverse program set have provided various opportunities for our students in Denver to enhance and explore their creativity and performance skills.

Dance Exploration has partnered with Denver Language Schools for afterschool clubs ranging from Ballet, to Hip Hop and Cheerleading. These programs have consistently reached full capacity each season. Denver Language School parents and students have expressed gratitude to Dance Exploration teachers for their care, expertise and guidance to help students reach their full potential. Students anxiously wait for the arrival of Dance Exploration after school programs each season.

I have no doubt that Dance Exploration will enrich Aurora Public Schools with a strong and diverse program set. Students will be able to fully explore their dance, performance, and confidence abilities with the expert team at Dance Exploration.

Sincerely,
