## SYMPTOMS OF SLEEP APNEA

Memory Loss | Obesity  
High Blood Pressure | Hypertension  
Drowsiness | Fatigue | Headaches  
Heart Attack | ED | Diabetes | Arrhythmia

## Benefits of Meridian PM for Sleep Apnea

The Meridain PM is designed to treat sleep apnea, reducing the risk associated with cardiovascular disease, stroke, obesity, and diabetes; especially in high risk patients with existing disease. Treating OSA will improve your health and overall quality of life.

## Benefits of Meridian for Jaw Pain (TM)

The Meridian is designed to treat TM: decreases inflammation, reduces pain, improves posture, and helps in regaining normal jaw function. Treating TM improves your overall quality of life.

## SYMPTOMS OF TM

Stiffness, Pain or Clicking of the Jaw Joint  
Misalignment of Upper and Lower Teeth  
Difficulty Chewing | Locking of the Jaw  
Limited Jaw Movement | Facial Pain  
Severe Pain in & around Ear  
Head & Neck Pain | Headaches
