**Describe how this Ministry Team aligns with the vision, mission, and goals of the Penn Northeast Conference and the United Church of Christ:**

The vision, mission and goals of PNEC require us to nurture and support the work of local congregations as they are about the work of the church. Our goals are to strengthen and build the capacity of the local church. The 2018 goals are:

1. During 2018, engage 10% of our congregations in vitality assessment.
2. During 2018-2019, have 10 churches participate in our Vitality Days training, with coaching follow-up.
3. Create a reading and resource list for use by the team and the congregations.
4. In 2018, the team will complete COACH training.
