

Cold Weather Policy

As a reminder for the new year - We will not go outside if the weather is -15 Degrees Celsius (including wind chill). Other circumstances may arise where we will not make it outside. For example if the area is too icy or wet, as it is hazardous to the children, ratio is not met due to shift changes and absences, children not having the appropriate clothing for outdoor experiences.

It is required that all children wear appropriate clothing daily. It is the parents responsibility to ensure that their child(ren) come to ICDC with snow pants, snow boots, winter jacket, hat, waterproof/ resistant mitts. If a child does not have the appropriate outdoor wear this may prevent the rest of a class from going outside.

Parking Lot & Parking

Families please be aware of where you park for pick up and drop offs. You are welcome to use the 2 spots directly in front of the main doors or VISITOR parking. Please DO NOT use any of the assigned parking spots. All assigned spots require parking passes and are en-

forced by the Alexandra Society. This includes ICDC spots as well as the doctor's office and ACS parking.
Thank you for your co-operation.
