

May 5, 2018

Notice to Members:

The AKC Bylaws Committee has notified us that changes to our AKSDA Bylaws will be required prior to our advancement to A status.

There are many changes to be made, so there are 2 attachments to this notice:

A copy of the Current AKSDA Bylaws which were approved in 2015.

A copy of the Proposed changes in a Word Document “Mark-up” format. In this format the wording to be deleted is crossed through, and additions are underlined. A “red-line” Version is available on the AKSDA.org website, and the color should make it easier to keep changes straight.

These proposed Bylaws will be presented for questions and discussion at the June 5, 2018 Meeting. To be voted on at the following meeting date (TBD).

Respectfully,

Suellen Appellof

Secretary
