

Schools and Communities First Initiative: Estimated Revenue Generated per Local Education Agency (LEA)

County	Local Education Agency (LEA)	Total SCF Revenue (Estimated)
Riverside County	Jurupa Unified	\$13,601,003

These estimates are based on data from the 2018-19 Local Control Funding Formula Snapshot (Second Principal Apportionment), found on the California Department of Education website (cde.ca.gov), and the October 2019 Legislative Analysts Office estimate of the increased revenue resulting from passage of the initiative. This is the most current, and accurate, data available. Because implementation of the Act is not scheduled to begin until 2022-23, there will be some adjustments to the proportional distribution of funding due to inherent variables within the state funding formula during the intervening years (such as changes to COLA, Average Daily Attendance fluctuations, and Unduplicated Pupil Percentage counts). Given that, these estimates are reasonable based on currently available data but are subject to change as that data is updated.

KNOW THE DIFFERENCE

1978 Prop 13

Tax Limitation Initiative Constitutional Amendment

Limits all property taxes (residential and commercial) to be based on the value at time of purchase, with a maximum increase of 2% a year, even if value of property and/or inflation grows faster.

Caused damaging cuts to school and local government funding.

also known as
"the 1970s tax revolt"
 passed on June 1978 ballot

en.wikipedia.org/wiki/1978_California_Proposition_13

2020 Prop 13

The Public Preschool, K-12, and College Health and Safety Bond Act of 2020

A one-time bond for the state government to borrow \$15 billion for earthquake safety and other upgrades to school and college buildings.

No changes to property taxes.

also known as
"Prop 13 School Bond"
"Safe Schools Healthy Learning"
 on March 2020 ballot

SafeSchoolsAndHealthyLearning.org

no Prop number assigned yet

The Family Home Protection and Fairness in Property Tax Reassessments Act

Changes law so that commercial property taxes are based on current value, rather than value at time of purchase. No change to property taxes on houses, apartments, & other residential property.

Would bring in \$12 billion a year for schools and local government.

also known as
"Prop 13 Reform" or "Split Roll"
 aiming for November 2020 ballot
