

CHALLENGER BASEBALL SPONSORSHIP

There is a little boy with developmental disabilities who has always wanted to hit it out of the park like his favorite player. There is a young woman who always wanted to challenge herself at the plate and laugh with friends on a warm summer night. Challenger Baseball, the largest special needs league in the country, makes these dreams come true. This year, we're hoping you will bring your heart and resources to our league so we can continue to grow and welcome the largest free gathering of special needs players in the country.

Syracuse Challenger Baseball is the largest league in the nation with over 250 players ages 4 to adulthood. In 2016, we launched four new adult teams thanks to local sponsors. Players ages 15 to 65 were on the fields, some for the first time in their lives and some returning to our league after an absence of many years. In 2019 we will launch two additional adult and senior level teams.

SPONSORSHIP MATTYDALE FIELDS:

EXPANSION OF DUGOUTS AND PATHS FIELD 6 & FIELD 3 – “TEAM DONATION” - \$5000

Currently our dugouts are not wide enough to accommodate wheelchairs and players and parents who need to stay close to our players. Our project will level the ground, extend the fencing by 4 feet to accommodate wheelchairs, players and parents, install netting to protect players from the sun and install new benches on both sides. This project is a priority for 2019 because many wheelchair players cannot play there because of these issues.

YOUR BENEFITS:

Your name and logo will appear on the Challenger Baseball website.

Press materials and releases will mention your involvement with the project.

Dugouts – A 6 foot by 4-foot banner will appear with the naming rights of your choice on the field fencing.

- **DUGOUT AND PATH “PLAYER” DONATION – \$1000**

Be a part of the construction project that will make these two fields wheelchair accessible.

YOUR BENEFITS:

A 4 foot by 4-foot banner will appear with your name or business logo on the field fencing.

CHALLENGER BASEBALL TEAM DONATION

Our teams are free for all players. They receive a free hat and jersey, a final game at NBT stadium, a free end of year banquet for the team and their families and a trophy for every player. For children who have never played in a team sport, this trophy symbolizes the accomplishments and friendships they have made over the summer.

BENEFITS

Your company name, logo and link to your website and Facebook page on our:

Website: 5000+ page views

Facebook: 1238 Likes

Hats for up to 20 players

\$1000 – Per Year - Three-year commitment
