

- Hi! I'm Lucky,  
the Sunda Pangolin.

Can you see the scales  
covering my body.  
Why do I need them?

- I have strong claws and a long sticky tongue. What  
do you think I use it for?

- I am breaking the termite nest to get my favorite  
food.

- Do you want to see how I sleep during the day?  
You can see me in the orange box.

---

- By the way, did you spot our footprints on the floor?

- Try and figure out which animals might leave these  
prints. Then check the right answer below:

Owston's Civet

Leopard Cats

Binturong

Pangolin
