*With regard to Executive Order No. 1467 issued by the Governor on April 7, 2020, and the differences between "remote online notarization" and "remote notarization", please note that the Hancock County Chancery Clerk WILL NOT accept for recording in land records any document which has been acknowledged through "remote online notarization" ("RON") service providers. By design, this procedure results in no paper copy of the signed document and must be done through an approved third-party service provider.*

*The Clerk WILL continue to accept paper documents, including documents acknowledged through "remote notarization", whether those documents are submitted in paper form, preferably via mail or parcel delivery, or through e-recording via Simplifile™ ([www.simplifile.com](http://www.simplifile.com)), which was implemented earlier this year. This procedure simply uses electronic means to witness a person's actual signature and produces an original paper copy of the signed document, which can be submitted for recording.*

*Thank you for your cooperation and understanding. If you have any questions or require assistance, please contact Land Records at (228) 467-5404.*
