REPORT OF INDEPENDENT AUDITORS

To the Board of Directors
Breast Care for Washington

We have audited the accompanying financial statements of Breast Care for Washington (the Organization), which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Breast Care for Washington as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

BREAST CARE FOR WASHINGTON

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

NOTE 1. DESCRIPTION OF ORGANIZATION AND NATURE OF ACTIVITIES

Mission - Breast Care for Washington (the Organization) was formed in 2012. The mission of the organization is to reduce breast cancer mortality in the Washington, D.C. area by promoting access to breast cancer screening, diagnostics, and treatment to all women regardless of their ability to pay.

Services - Breast Care for Washington provides screening and diagnostic mammograms using 3D technology, breast ultrasound and minimally invasive breast biopsies.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Organization are prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other assets and liabilities.

Basis of Presentation - Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in its Accounting Standards Codification (ASC) topic, *Financial Statements of Not-for-Profit Organizations*. Under this topic, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As of December 31, 2015 and 2014, all of the Organization's net assets are unrestricted. The Organization's expenses are also required to be classified on a functional basis. Accordingly, as included in the statements of functional expenses, certain costs have been allocated the Organizations' programs, management and general and development functions.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from those estimates.

Cash and Cash Equivalents - For purposes of the statements of cash flows, the Organization considers cash in banks and money market funds to be cash and cash equivalents.

Property and Equipment - Property and equipment are recorded at cost and consist of office equipment, participant database and related software. Depreciation is computed using the straight-line method over the estimated useful life of the related assets.

Donated Services and Equipment - Donated services have been reflected in the financial statements for legal and medical services, which were donated in 2015 and 2014. Donated equipment was reflected in the financial statements for a MRS7 reporting software donated in 2015 and a 3D mammography machine and patient tracking software, which were donated in 2014.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Volunteers - Breast Care of Washington is supported by a group of 20 volunteers who assist with patient intake, special events and community outreach.

Contributions and grants - Contributions and grants received or unconditionally pledged are recorded as support in the year the unconditionally pledges received. The Organization uses the allowance methods to determine uncollectible unconditional contributions and grants receivable. The allowance is based on management's analysis of specific promises made. No allowance was considered necessary for the years ended December 31, 2015 and 2014.

NOTE 3. INCOME TAX STATUS

Breast Care for Washington is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code under a ruling issued by the Internal Revenue Service (IRS) dated January 31, 2013. In addition, the Organization is not a private foundation and, accordingly, no provision for income taxes is included in the financial statements.

The Organization adheres to the authoritative guidance relating to accounting for uncertainty in income taxes included in Accounting Standards Codification (ASC) Topic *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Organization performed an evaluation of uncertain tax positions for the year ended December 31, 2015 and determined that there were no matters that would require recognition in the financial statements or that may have an effect on its tax-exempt status. As of December 31, 2015, the statute of limitations for tax years 2012 through 2014 remain open with the U.S. Federal Jurisdiction in which the organization files returns.

NOTE 4. PROPERTY AND EQUIPMENT

The Organization's property and equipment consist of the following at December 31, 2015 and 2014:

	2015	2014
Medical equipment	\$ 1,126,965	\$ 1,126,965
Software	250,895	203,995
Computer equipment	4,854	4,854
Total	1,382,714	1,335,814
Less: accumulated depreciation	(290,469)	(127,682)
Net property equipment	<u>\$ 1,092,245</u>	<u>\$ 1,208,132</u>

The Organization recognized depreciation expense of \$162,787 and \$127,682 for the years ended December 31, 2015 and 2014.

NOTE 5. COMMITMENTS

The Organization entered into a three year usage agreement for office space, equipment and services, expiring April 30, 2017. The following is a summary of future minimum usage payments required under the agreement:

Year Ending December 31,	
2016	\$ 14,820
2017	<u>4,940</u>
	<u>\$ 19,760</u>

The total expense related to this agreement for the year ended December 31, 2015 and 2014 was \$14,820 and \$9,880, respectively.

NOTE 6. SUBSEQUENT EVENTS

Subsequent events have been evaluated through May 25, 2016, which is the date the financial statements were available to be issued. This review and evaluation revealed no new material event or transaction which would require an additional adjustment to or disclosure in the accompanying financial statements.
