Dear Illinois High Water Polo Supporter, School Administration and Teams,

As a supporter of Illinois Water Polo, Illinois Water Polo (IWP) would like to invite you to be a part of a very special celebration. On Tuesday, May 28, 2019, we are going to honor Illinois High School Water Polo athletes and coaches at the IWP All State & Hall of Fame Banquet at the Diplomat-West Banquet Hall, 681 W. North Ave., Elmhurst, Illinois 60126.

Water Polo in Illinois continues to grow each and every year. In the coming years, we hope to have over 100 boys and girls teams participating throughout the IHSA spring season and extend beyond the greater Chicagoland area. Illinois also has seen successful growth in the number of club teams with more and more athletes participating at the age group level, high school level, and even the masters' level! Many more new faces on the Illinois polo scene are discovering what we already know, water polo is an exciting, demanding, and fun sport.

The banquet attendance is targeted at 250 people, made up of the all-state athletes with their parents, coaches, Illinois Hall of Fame inductees, referees, and the many friends of the sport. It's an ideal time to honor individual or team achievement or for a company to connect with this elite crowd.

I have attached the list of sponsorship opportunities for this year's banner event with details of each sponsorship levels and the benefits to you as a sponsor. Past support has helped fund the High School Boys' and Girls' All-Star Games in June, coaching, officiating, and player clinics, the Dave Perry College Scholarship, and provided equipment for new programs. I hope that you will join Illinois Water Polo in helping to continue to promote the development and awareness of water polo in Illinois.

Thank you for your support.
