NWSEO Dues Increase of 24 Cents Per Pay Period Effective Pay Period 1 of 2021

(January 11, 2021) Active NWSEO membership is the lifeblood of our professional organization. It is through the strength of our members that NWSEO is the only organization with the ability to lobby Congress and the Administration to help save jobs and programs, promote better working conditions, enhance career opportunities, and participate in collective bargaining for the bargaining units we represent. Your membership and willingness to be an active NWSEO member have certainly helped propel each of our units to be world-class within the U.S. Federal Government, DOC and NOAA.

NWSEO dues via payroll deduction ([Form 1187](#)) are set at one percent (1%) of your salary to a maximum of \$24.30 per pay period, as of January 3, 2021 (Pay Period 1). This minimal increase of 24 cents per pay period over 2020 reflects the Federal salary increase of one percent for 2021. As directed by the President's Executive Order signed on December 31, this salary increase applies to all areas, with no additional increase allocated for locality pay.

If you pay by credit card, monthly dues for 2021 are \$52.65. Semi-annual dues for 2021 are \$315.90 and annual dues are \$631.80.

Thank you for your service and continued membership support!

No one cares more for National Oceanographic and Atmospheric Administration (NOAA)
employees than NOAA employees.

No one works harder for NOAA employees than NOAA employees.

We are NOAA employees. We are NWSEO.

NWSEO proudly represents more NOAA employees than any other Union. NWSEO serves bargaining unit employees of the National Weather Service, NESDIS Office of Satellite and Product Operations, Office of General Counsel, Aircraft Operations Center, and Atlantic Oceanographic and Meteorological Laboratory.
