Representative Frank Wolf asks Budget Committee why Congress Picks “on Federal Employees”

(December 4, 2013) Virginia Congressman Frank Wolf, in a letter to members of the budget conference committee, expressed regret that “the only recommendations that continue to be considered are the ones that impact the federal workforce.” Representative Wolf is Chair of the House Appropriations Subcommittee responsible for the Department of Commerce’s budget. Time and again, he has proven to be a good friend to NWSEO.

Wolf’s letter urges the budget committee to “address the nation’s fiscal challenges through a broad bi-partisan agreement that puts all of our nation’s spending on the table.” You can read the full letter at www.nwseo.org.
