If you plan to attend the convention, you are responsible for making your reservations. We have successfully negotiated a room rate starting at \$106 per night plus taxes and \$1.74 city room fee. The annual National Convention is the governing body of NWSEO. It is also a time to learn in depth about NWSEO's work and accomplishments. You'll hear about upcoming events, strategies and opportunities. This is also a great opportunity to network with other professionals throughout the country. Many NWSEO members return to the event every year.

New Steward Training session for new stewards will be held on Saturday, October 25 from 1 – 5 p.m. Due to limited space, this training is for invited new stewards only. If you are a newly elected steward after the 2014 election and would like to attend the training, please let your Regional Chair know before Tuesday, September 2. A request for this training is the first step to get a training invitation, it is not a guarantee.

We hope to see you in Kansas City – October 26 and 27, 2014.
