

No health insurance? Help is available.
¿No tiene seguro médico? La ayuda está disponible.

Federally Qualified Health Centers (FQHC) provide primary care services, even if you don't have health insurance. You pay what you can afford, based on your income. FQHCs do not deny services due to inability to pay. The centers offer sick visits and well visits which can include vaccination.

There are many FQHCs location in the Houston area. Below is a list of many of these centers. For a more complete searchable list, visit findahealthcenter.hrsa.gov.

Los centros de salud federales proporcionan cuidado médico, incluso si no tienes seguro de salud. Los costos están basados en ingresos y puedes pagar lo que puedas. Estos centros no niegan servicios a personas que no pueden pagar. Los centros ofrecen visitas durante enfermedades, chequeos y vacunas.

Hay muchos centros ubicados en el área de Houston. Abajo está una lista de muchos de estos centros. Para una lista más extensa, visite findahealthcenter.hrsa.gov.
