Subject: Resignation letter - Endowment Committee

Dear Mike,

I'm writing this to you in your position as President of the UUCGT Board of Trustees, and hoping you can get it approved at the Board Meeting next week.

I am resigning from the Endowment Committee as of today. I have enjoyed collaborating with the various members of the committee over the past four years and I believe we've been able to accomplish some significant goals, such as finally making it over the \$100,000 mark (pre-Coronavirus era).

However, I having some upcoming projects which are necessitating my removal from several current activities. I'm sure the Endowment Committee can do just fine without me, although it probably can't do as well without the help of current Financial Secretary Nancy Doughty.

There is two years left on my current term and I'm hoping Nancy could be appointed to fill out this term as an Interim Appointee.

Thanks so much for your consideration on this matter.

Regards,
Ann Swaney
