Tebala Hosts the 2010 GLSA

Tebala Shrine had the honor of hosting the 2010 Great Lakes Shrine Business Session February 17th - 20th. All 21 member Shrine Centers that comprise the GLSA were represented for this annual gathering. Divan Officers serving as voting delegates from their respective Shrine Centers, Past GLSA Officers, and Past Potentates along with their Ladies spent three days in Rockford at the Clock Tower Resort.

There were months of planning involved and many, many Tebala Nobles and their Ladies worked tirelessly to make it all happen. Heading up the planning were Co-Directors General, R. Duncan Brown, P.P. and Roger Anderson, P.P. who both did a great job. Tebala Potentate, Martin McDaniel and his Lady Julie also spent a great deal of time planning and working to make this event a huge success. During this annual business session there were many planning meetings, seminars and break-out sessions for all to enjoy and learn from.

Shrine Imperial was repre-

sented by Imperial Sir George Mitchell, Deputy Imperial Potentate and Imperial Sir Robert Bailey, Past Imperial Potentate. Both shared important messages from Tampa with all in attendance. Deputy Imperial Potentate Mitchell will be installed as Imperial Potentate at the July Imperial Session in Toronto.

Thanks go out to the following Tebala members (and ladies) who did an outstanding job making this session a huge success: Mark Torrance who did an outstanding job managing transportation and being the all "go-to" guy; Tom Watson

and Lady Nancy for hosting one of the finest Tebala Hospitality Rooms ever; Bruce Sumpter and Leon Larsen, P.P. for hosting the GLSA Hospitality Room; S.H.B.G. & Co. headed by Greg Stanbury for coordinating and preparing a great breakfast and lunch for the GLSA delegates; John Milliren, Leon Larsen, P.P. and Ned Junor for driving the bus; Denise McLendon for handling everything and more in the office; all of the Ladies of Alabet Temple No. 31, Daughters of the Nile for the coat check; Jean Keyser for taking tickets at all events; Jean Castle for taking photos; Tebala Legion of Honor and the Marshalls Aides for presentation of Colors; Gene and Bill Gambrel for sound and lighting to mention a few. Thanks to all other Tebala members who worked and have not been mentioned here—we could not have done it without all of you!

Tebala will be hosting the Fall GLSA Session on Sept. 22-26, 2010. There will be competitions on Friday and a great parade on Saturday. See you all there!

detail was covered and that everything would run smoothly for the weekend. My lady Julie also spent a considerable amount of time organizing activities for the Ladies and coordinating the Divan Ladies and Aides to make sure that Tebala's Hospitality Suite was outstanding. All of the work paid off and the weekend was a great success.

A lot of time was also spent on reworking and getting the fraternity budget into the most accurate projections possible as we transitioned into the different chart of accounts. I'm confident that with this new chart of accounts and new approved budget, we'll be able to track our income and expenses against the budget better than in previous years.

On Wednesday, February 10th, I had the pleasure of being the guest of the Widows of Shriners group at their bi-monthly luncheon. Julie and I truly enjoyed our time with these wonderful Ladies and after I spoke to them about the Shrine Hospitals and some of the upcoming events at Tebala, they presented me with a check for \$500 for the Shriners Hospital for Children which I was pleased to present on their behalf at our Temple meeting that evening.

Friday night, February 12th was the Valentine's Dinner and everyone in attendance enjoyed a wonderful meal provided by the Hoffman House. Following dinner we had some fun with an audience participation activity that provided lots of laughs for both the contestants on stage and the viewers in the audience. The evening concluded with a few games of "Valentines Bingo".

We held our annual Club & Unit Seminar on Saturday, February 13th and it was well attended. All of the Club Presidents and Officers along with the Unit Directors, Presidents and Officers received good information that will help 2010 run smoothly for them. The Temple Clean-up that took place following the Club & Unit Seminar was extremely successful and I and Craig would like to thank everyone who helped with this endeavor. Both Craig and I were impressed with how hard everyone worked and with the amount of work that was accomplished. The building really looked much better by the end of the day Saturday, and that made our facility show very well for the Great Lakes Shrine Association the following weekend. Thanks again to everyone who worked so hard at our Temple clean-up!

Mark your calendars for the St. Patrick's Day dinner—Friday, March 12th and also start thinking about the Tebala Shrine Circus.

As always, thanks for all that you do for Tebala, the Shrine, and the children that we serve in our hospitals.

Yours in the Faith,
Martin McDaniel

Chaplain's Call - Chaplain Les McClelland

Can you believe it, March is already knocking on our door and while February is filled with cold weather, snow, strong winds, and valentines. I wonder what March is going to bring? It is usually filled with strong winds and continued winter. I guess in some ways it is actually Mother Nature beginning the process of waking up from winter and preparing for spring. It just seems at times that once the new year begins that time speeds up and before you know it winter has ended, spring has sprung, summer has passed and autumn has arrived with its great display of color and glory. Sometimes I feel like my eyes blink and I am another year older. Do you any of you have random thoughts and feelings that I am describing? I'll bet most of us experience such moments and I'll also bet that many of us would like to slow things down a bit and once again be able to "smell the roses" like we did when we were much younger. I would like to share with you a personal insight experienced recently. It is when we overcome the tendency of placing ourselves at the center of our world and place somebody else in that position that we want to help that our own life seems to slow down and time seems to become somewhat suspended. It is when we actually begin the process of focusing on doing those things in life that help another person to experience greater joy and happiness that we in turn become filled with an inner peace that passes all understanding. I'll bet that is what the great prophets of old as well as the person I have personally chosen to follow meant when ideas like "go the extra mile, turn our cheek,

forgive, treat others like you would want to be treated, were expressed
 When I attend our monthly business meetings at our Shrine Temple along with many of you I sit in awe at the accomplishments that have been achieved by those who have preceded us. As we each attend these meetings, visit with one another about various different topics, share stories that bring laughter and joy, and consider the various reports presented it is easy to overlook that those in attendance willingly give of their time, energy, money, prayer, and personal support on projects focused on helping another to experience a better life. Again – I must tell you that I sit in awe of what is achieved on an annual basis by our great fraternity.
 I would ask we all remember that not only are great things accomplished when we are working as one but also great difficulties are more easily overcome when we have a brother standing beside us. No one should ever doubt our commitment to the ideas and ideals of our great organization as well as our willingness to step forward to help when needed. Let us all renew our commitment to this great fraternity and seek out additional opportunities to serve. Let us not allow the past to stand in the way of a brighter tomorrow. So while March is continuing to march forward, time no longer is rushing by because we are choosing to place the need of another at the center of our lives. May God continue to bless our work.

Please consider receiving your *TebalaGram* Online and saving Tebala printing, postage and handling fees. We are asking for volunteers (at this time) to consider not having your *TebalaGram* mailed to you and simply reading it online and printing it out on your own. This would save Tebala a great deal in printing, mailing and handling costs. We are requesting you volunteer for this on a trial basis to see if it is a viable option to cut monthly costs. 2010 TEBALA SHRINE CIRCUS

June 4, 5, & 6, 2010
Indoor Sports Center 8800 E. Riverside Loves Park, IL.

That's right the plans for the 2010 Tebala Shrine Circus are under way. The first meeting of the Circus Committee was held on Jan. 7th. there are some new faces on the committee. Most notably is the Assistant Chairman Patrick (Bucky) Babcock. I believe that Bucky will do a good job for us. Also our volunteer co-coordinator is Mark Torrance he always works hard for the shrine.

At this time I would like to thank my former assistants Tom Runge & Leon Larson. The guidance and advice given to me by them was Invaluable, I am sure that if and when I need their help in the future they will be there. Thank you again.

I would also like to thank all the nobles' for the help and support they have given to me, and hope that this will continue. As you are all aware the physical and financial support of our membership keeps our organization solvent.

Some of the support that I will need this year is of course purchase of your circus tickets, ad sales, and volunteering at the circus.

We also need your help in distribution of advertising materials in your area. We plan on using counter top, tear off coupons, yard signs, window posters that you will be asked to find a location to put them out for us.

This year our Friday June 4th. 4PM performance will honor our military, police, & fire personnel. We want to make this a special show, to let them know how much we appreciate them.

Once again this year we will be giving away bikes at each performance to the kids.

Circus Chairman
