THE OFFICIAL PUBLICATION OF TEBALA SHRINER'S INTERNATIONAL

Bill Robertson, Potentate

Vol.12, No.1 , January 2012

Santa Claus left presents for some of the boys and girls of Tebala this year. A large stuffed tiger was given to Todd Kovaleski's son at the Blue Haze Choppers Christmas party and a large brown dog was won by Andrea Anderson at the Tebala Christmas Party on Sunday, December 18, 2011, at Tebala Shrine Center.

Andrea didn't even want to put her name in for the drawing, but decided maybe the dog was just too cute to not take a chance on winning. When the time came, her name was drawn as the lucky winner. She was very surprised, but a very happy girl. The stuffed animals were donated by Potentate, Bill Robertson and First Lady, Barbara. Santa Claus handed out gifts and the Tebala Klowns made all kinds of things with balloons. Hot dogs, chips and freshly baked cookies were served to over 80 people who attended the Children's Christmas Party at Tebala Shrine Center. A good time was had by all!

Schedule of Upcoming Events:

**Kids are Key . . .**

Greetings Nobles and Ladies,

It's hard to believe how fast time passes. This will be my final message to all of you as Potentate of Tebala Shrine. Barbara and I have had a very rewarding and fun filled year, visiting with all the Nobles and their Ladies at all the different Shrine functions and socials, not only at Tebala, but at other Temples and trips out of state. Our most recent trip was a 7 hour drive to Cincinnati Shrine Hospital, a very enjoyable and rewarding trip....."Kids 'R' Key".

In my messages this past year, I've tried to keep everybody up-to-date on events attended, etc. I don't think there was one message that I didn't mention the good food we enjoyed at all the Shrine functions and socials. Must be that's what Shriners do best. The Silver Fizz, a tradition for many years, was fantastic! We had an attendance of over 300 guests! The food was great, as always, by Hoffman House, and the entertainment by the Belvidere High School Choraliers, was enjoyed by all. What a wonderful way to get everybody in the Christmas spirit. The Children's Christmas Party was another success, thanks to the Babcock's for all their work in planning this special event for the children.

I want to take this opportunity to say thank you to everybody who helped with any of the socials or events this year. I don't want to name individuals because I might miss somebody, so I'll just say one big THANK YOU TO EVERYBODY who helped in any way. One or 2 people cannot do it alone, it takes teamwork. You all helped make the events and socials such a success and a great time.

My Lady Barbara and I say "thank you" for making 2011 a year for both of us to remember the rest of our lives.

Yours in the Faith,
 Bill Robertson, POTENTATE

MEETING ADJOURNED AT 8:50 P.M. RESPECTFULLY SUBMITTED BY: MARK TORRANCE, RECORDER

We continue to tell the nobility about our hospitals of the donations for our Chicago unit, more than 50 % come from non - shriners. This tells us how great is the use of shrine hospitals from all walks of life. Players are being selected for the shrine football game in Bloomington in July. Coaches are doing the selecting. We hope to have a good response from Tebala. Always remember that kids are what we are about. Also think about the hospitals in your will.

Yours in the faith,

Bill Condon

Chaplain's Call - Chaplain Les McClelland

Chaplain's Message:

I've read many self-help books over the years written by individuals who tell me I can do what I love and the money will follow, or follow my passion and my dream will mysteriously come true. To some extent, that is true. However, they often fail to mention something that EVERY entrepreneur faces, at one point or another, and must be mentioned to have a complete picture of what it takes to live a dream: SACRIFICE.

Whether an entrepreneur, an artist, or someone simply seeking to give back, there is always the requirement of sacrifice

Many do not want to hear this important truth. But the truth is that if we want to do something new, we must give up something old. If we buy new clothes, we must send some old ones away. This stems from the laws of attraction and life balance. And since living life fully is partly about manifesting, it is important to know that manifesting requires sacrifice.

Yes, we must have our intention. We must have no doubt; or, better, absolute faith. We must not listen to the critics except possibly when the critics are spot-on the money with their advice. But what we must also know is what we will need to give up in order to live out our dreams and live life fully.

Our willingness to sacrifice is directly related to our desire to move ahead. If we are unwilling to sacrifice then we are not willing to make changes where necessary. We will instead tend to hang on to everything out of fear which results in watching our dreams and goals in life pass us by.

The spiritual teaching of life instruct us that we must go the extra mile, turn the other cheek, help those less fortunate, practice the golden rule, etc.. When we are walking this path in life we will consistently find ourselves in the right place for opportunities to experience greater happiness and fulfillment to become revealed.

One of the great things about our fraternity is we are directly associated with an International Organization committed to helping the less fortunate. Nothing else is more important than this endeavor. For it is through our efforts that a person who would otherwise not have as good an opportunity to live a blessed life and be a blessing takes place.

We should never, ever, lose sight of this tremendous blessing. Each individual that you meet in the Shrine, is part of this great endeavor and deserves your personal encouragement and support.

Choose this day to make certain these individuals know you respect their efforts. That you are proud of their efforts for they are in fact helping you be a better person. It is my prayer that you experience a great year in 2012.

I am reminded of a wonderful poem that goes something like this. "Wonderful, Wonderful, Fortunate you, This is the year that your dreams come true." The poem continues on, however I do not remember the rest of it. Suffice it to be that this is your year, this is my year, this is our year to experience the fulfillment of our dreams. May we all have the wisdom to make the proper sacrifices necessary for their fulfillment.

Blessings

Your Chaplain
Rev. Les McClelland

BLUE HAZE CHOPPERS AND DRESSERS SHRINE CLUB CHRISTMAS PARTY

The Tebala Dressers Shrine Club and the Blue Haze Choppers had a combined Christmas party at the Hoffman House Restaurant on Friday, December 9, 2011. The food and service was excellent, the Hoffman House served up their famous Prime Rib, their Pasta Primavera with all the trimming, and the kids even had their own special meal, a cheeseburger and fries. For dessert, we had a special chocolate mint cheesecake.

Members of the Tebala Divan and their ladies attended, and Chief Rabban Dave Babcock installed the Dressers and Blue Haze Officers, in a "dual" ceremony.

We had a great crowd at this year's Christmas Party. Walt Lockhart, President of the Dressers said, "This was one of the best Christmas Parties he has ever attended and looking forward to doing it again." Anyone interested who has a full size motorcycle and would like to ride with the Dressers, just call Walter Lockhart.

Illustrious Sir Bill Robertson gave the kids an extra-added surprise, when he handed out stuffed animals, (they were BIGGER than the kids!!). You can just look at the smiles on their faces in the pictures to see how much they enjoyed the party.

Tina Blanchard and Tom Whitaker greeted everyone, and Jean Keyser hosted the Chinese's raffle, which proved to have some nice gifts this year. We want to thank all of them for helping to make this party a huge success.

We were honored in having three of our past Potentates and their ladies, 1991 Past Potentate William "Bill" Wenger and his Lady Joan, 2006, Past Potentate Leon Larsen and his Lady Barbara and 2010 Past Potentate, Martin McDaniel and his Lady Julie. Both clubs honored the Past Potentates for their years of service and dedication to our great organization.

A huge thank you goes out to my wife Tina Blanchard, for putting the party together. The Blue Haze Choppers Club made a "Special" presentation to High Priest and Profit Loy Rice. A 100 Million Dollar Certificate was presented to Loy Rice, in honor of his dedication and hard work to the Haunted House this year.

The club continues to grow and is a great family club. If you will like more information, just call my office 24/7, leave your name and address, and I will mail you a packet. You can also find the Blue Haze Choppers on Facebook and on our website, attached to Tebala.org.

Nobles plans are going forward for the 38th annual Illinois high school all star football game to be played on sat. july 14 2012. Previously only Mohammed Shrine was involved and next year all 5 shrines in the state will be participating. The game will be played at Bloomington. This is a significant fund raiser for the hospitals and we expect Tebala to be active. Please remember the hospitals in your thoughts as monies are constantly being needed.
