# Autumn is around the corner

## ■ Bandai Azuma Skyline (Fukushima City)

A well-known tourist spot for viewing the autumn leaves, Bandai Azuma Skyline is a road famous for the breathtaking scenery it offers. The roadway has eight scenic spots called “Azuma Hakkei”, perfect for holiday snaps. You can enjoy not only the view, but also the many nearby hot springs.

- ▶Best time to see : From early October to late in October
- ▶Access : 30min. drive from Tohoku Express way Fukushima-Nishi IC
- ▶URL : <http://goo.gl/DtN5Wg>

## ■ To-No-Hetsuri (Shimogo Town)

To-No-Heturi was designated as a national natural treasure in 1943 because of its unique landscape, which took one million years to form. “Hetsuri” means a steep cliff, in the dialect of Fukushima Prefecture. If you cross the bridge, you are able to explore inside the cliff. In autumn, the rocks are covered beautifully with red and yellow leaves.

- ▶Best time to see : From late in October to early November
- ▶Access : 60min.drive from Tohoku Express way Shirakawa IC OR 20min drive from Ouchi- juku
- ▶URL : <http://goo.gl/Uc7OyX>

## ■ Natsui River Valley (Iwaki City)

Natsui River Valley continues 15km along JR Banetsu East Line. In autumn, the train passes the valley at a slow speed so that passengers can enjoy the awesome views from its windows. The beautiful view of the waterfalls and clear streams meandering through rocks is definitely worth seeing.

- ▶Best time to see : From late in October to the middle of November
- ▶Access : 30min.drive from Joban Express way Iwaki-Chuo IC
- ▶URL : <http://goo.gl/jgWVoa>
